A FINAL WINTER SCENE?—Snow loving area residents might have to wait until next year for another glimpse of the beauty of winter based on the sudden thaw that gripped these parts over the past few days. But Romulus Roman Chief Photographer Lothar

Konietzko decided to beat the snow thaw by rushing up to Thunder Bay River in Montmorency County to focus on "one more winter scene." (P.S. Spring is scheduled to arrive March 20.)

Supt. Moore nixes transportation plan

By HENRY CANTIN

Huron Township Supt. George W. Moore has denounced the Michigan legislature and the Southeastern Michigan Transportation Authority (SEMTA) for the authority's future plans regarding public transportation in Western Wayne County.

Moore's blast Monday followed a study and review of a presentation made by Thomas H. Lipscomb, general manager of SEMTA at a gathering of mayors and supervisors held in Westland on Feb. 26.

LIPSCOMB TOLD the conference of mayors and supervisors that comprehensive plans are being drafted to improve bus service in the western suburban area during the upcoming months. He had asked the suburban officials for "input" on the specific bus routes needed and estimates of the anticipated ridership to be derived from these routes.

LIPSCOMB ALSO drew a dim picture of the DSR's financial troubles and indicated that city and state subsidies will be needed to

maintain the present level of service and to expand.

THE STATE legislature approved the allocation of 5

per cent of the revenue from the state approved 2 cents a gallon gasoline tax increase for public transportation, which is expected to amount to

about \$2.8 million.

Of the \$10 million allocated for transit operations throughout the state, \$8.2

million is earmarked for SEMTA which distributes the funds to local governments. Moore said after listening to Lipscomb's presentation that the following things "come into my mind."

"I QUESTION Judge Roths decision regarding Wayne County cross district busing and listen for the echoes of Atty. Gen. Frank Kelley's opinion that no judge has the power to order the legislature to purchase school buses.

"After our legislature said that there will be no purchase of school buses, the state approved the transit bill using part of the 2 cents per gasoline tax increase to purchase buses.

"I will look to the future with the hope that school children will not be riding the purchased buses.

"The direction of the authority is not to serve the people that pay the most in gasoline tax, but an attempt to acquire a way to transport people from the suburbs to the City of Detroit.

I QUESTION if a survey was taken, how many people would want to use bus service to go to Detroit. I feel they would find very few people to use this service.

The State of Michigan will become a private enterprise in operating a bus system that has been in deficit financial position since the date of their beginning. I also will be curious to find out how much money the state is willing to pay for companies operating at a loss.

WE MUST try to understand when two appointments were made to represent Wayne County on the transit authority, that one man, Mr. (Continued on Page A-3)

Protection increases with additional patrol

By JIM CARRAVALLAH

With council's blessing, the city of Romulus has added one additional Wayne County sheriff's patrol car to the city's present two-car contingent.

Cost of the addition will be about \$51,000, with the money

coming from the city's revenue sharing funds. The car, which will provide protection 24 hours a day, seven days a week, should be on patrol within a month.

AT THE START of the 1973-74 fiscal year, the car will be included within the general

fund budget. Cost for a full year of service is \$207,000 per car.

Money for the car during fiscal 1973-74 will come from both the city's \$240,000 revenue sharing allotment and from the general fund.

One proposal discussed at the meeting was adding a

fourth patrol during fiscal 73-74. The council indicated that another unit would be added if finances worked out.

An alternative, proposed by Councilman James Stewart, was to add a partial unit to patrol the community during certain hours of the day as a cost-saving measure.

THE COUNCIL also discussed payment of the wage increases negotiated by the city's union.

An opinion on whether the present voluntary wage controls proposed by President Richard Nixon would allow Romulus to pay more than a 5.5 per cent wage increase was requested from the city attorney.

The union position is that the controls are voluntary, and only apply to organizations with more than 1,000 employees.

If the new rates were implemented, an office clerk would receive \$154 per week, and a laborer in the public works department would receive \$4.26 an hour.

THE WAGE PACKAGE includes a six per cent increase scheduled for last July, but not paid because of the wage-price freeze.

Road patrol service loss eyed by cities

By HENRY CANTIN

Possible loss of road patrol service by the Wayne County Sheriff's Department in out-county communities this August has prompted immediate action by the Wayne County Supervisors Association (WCSA).

The association, headed by George W. Moore, supervisor of Huron Township, one of Western Wayne County communities served by the road patrol, has scheduled a meeting for 11 a.m. March 15 at the Presidential Inn in Southgate to map a program of action.

Moore said members of the Wayne County Board of Commissioners, representing areas that may be affected by the threatened withdrawal of road patrol services, have been invited to attend the strategy session.

THE AREA commissioners expected to attend the meeting are Brian G. Arrowsmith from the 27th District, John N. Sabo Jr. from the 26th District, John De Sano from the 25th District and Mary E. Dumas from the 19th District and other governmental officials.

According to recent reports received by WCSA, the County Board of Commissioners has budgeted the county sheriff's department for the 1973 year, but only to August.

Association officials initiated plans to prevent any discontinuance of law enforcement activity by the sheriff's department at a meeting held two weeks.

"We want to know what the

sheriff's department intends to do about furnishing law enforcement services after August," said Moore, "said at this meeting we hope to find out."

MOORE AND other township supervisors contend that state law states that there shall be county sheriff protection. They also contend that county taxes paid by residents of the various communities to be affected, if the road patrol services are cut off, pay for police protection services by the county sheriff.

The association seeks to find the answers to the following questions from the county commissioners:

What is the date of the reported discontinuance of police services by the county sheriff if reports are correct.

If the service is discontinued where do they plan to use the monies being used for the operation of the road patrol in

out-county areas and how do they (the commissioners) intend to vote?

THE ASSOCIATION also plans to meet March 29 at the Thunderbird Hilton, 14707 Northville Rd., Plymouth.

"We plan to have Sheriff William Lucas, Undersheriff Loren Pittman, area state representatives and seantors at that meeting to discuss crime report and related statistics.

"We (the association) want to find out if the state legislators can, by legislation, continue such police services," Moore said.

Moore disclosed that a \$9,000 legal fund has been set up from contributions by townships involved "and if we feel we are not being treated fairly, we plan to initiate court action. We put up our shares (monies) for the purchase of the equipment used by the road patrol and our townships are entitled to the services," he added.

HURON TOWNSHIP presently has a part time police force of 12 men, with plans in the offing to start an auxiliary police reserve unit, also part time.

The township also is assisted by a 10-member Huron Metropolitan Park police force.

Other townships served by the road patrol division have small part time police forces and are not financially able to set up full time police departments without additional millage by the voters.

Romulus woman gets post

A Romulus woman, who works for the Wayne-Westland School District, has been appointed to Gov. William Milliken's State Council for the Arts.

Susan Price, visual coordinator for the school district, was appointed to a term ending June 1, 1974. She succeeds John De Lorean of the General Motors Corp. who resigned the post.

On industry

Developers pick city as site for conference

By JIM CARRAVALLAH

Romulus has been chosen for the site of the annual Great Lakes Area Industrial Conference.

Industrial development

experts from states, communities, corporations and public utilities will meet in the Sheraton Metro Inn in Romulus for the March 25-27 conference, a first for the city.

"This is an important event for Romulus," said Wilbur M. Young, who, as chairman of the Michigan Professional Industrial Development Association, becomes host of

this year's event. Young is director of area development for the Detroit Edison Company.

"INDUSTRIAL DEVELOPERS from Michigan, Illinois, Indiana, Ohio, Wisconsin, Minnesota and Iowa can see what facilities Romulus has to offer in conjunction with the Metropolitan Airport," he said.

According to Young, Romulus has been selected because of its proximity to the airport, and other transportation facilities, a plus when area industrial developers wish to show their counterparts from the Great Lakes region the facilities Michigan has to offer industry.

Last year's conference was held in the Hyatt Regency Hotel outside O'Hare Airport in Chicago.

"In light of the place for last year's conference, I think the selection of Romulus speaks for itself," Young said.

"THIS CITY OFFERS availability to all services in the Detroit metropolitan area and facilities for such a convention."

MITCH KEHETIAN

New editor appointed

Mitchell D. Kehetian, 42, has been named editor of the Romulus Roman and Belleville Enterprise.

Kehetian has been with the Macomb Daily since 1969 serving as city editor of that paper since April of 1972.

Both are published by

Panax Corp of East Lansing.

Panax regional manager Ralph Kaziateck announced Kehetian's appointment by saying:

"This promotion of Mitch Kehetian is in line with the Panax policy of promoting people from within the company when ever and where ever possible. Mr. Kehetian is the one of the most community minded and deeply involved editorial people we have in Panax, and we know our readers in Western Wayne County will benefit from vitality and interest he brings to their community."

Mr. Kehetian is a native Detroit who now lives in

Allen Park and who graduated from Southwestern High School prior to attending Wayne State University he served eight years with the U.S. Army Reserves in Military Intelligence.

He is a former executive vice-president of the Michigan Junior Chamber of Commerce and was named Jaycee Young Man of the Year in Allen Park in 1966. He was accorded a life (Continued on Page A-3)

National band picks area boy as member

An area boy has been accepted for membership in the United States Collegiate Wind Band. It is a selected musical organization which will make a concert tour of seven of the world's cultural capitals.

He is Darrell K. Cardwell, the son of Mr. and Mrs. Darrell L. Cardwell, 12400 Harrison St., Romulus.

Cardwell plays the clarinet in the Romulus Senior High School band, which is conducted by Gideon Petway, Jr.

The concert tour will be conducted in July and August.

MEMBERSHIP in the band is limited to 95 college wind players and mature senior high school band students.

The United States Collegiate Wind Band will travel for three weeks (July 25-Aug. 15) in England, Belgium, France, Switzerland and Russia. Concerts will be performed in London, Amsterdam, Antwerp, Paris, Lucerne, Altdorf and Moscow.

The United States Collegiate Wind Band is the only U.S. student band which is annually invited to perform and tour in Russia.

Gideons to place Bibles in hotels, medical offices

Don't look now but if that book in your doctor's office closely resembles the one which you saw in your hotel room last week, there may be a reason.

Gideons International, who have placed millions of Bibles in hotel and motel rooms across the land, as well as in the hands of millions of people in far lands, are placing them in doctors' and dentists' offices, as well.

Michigan Gideons placed 5,000 Bibles in doctors' and dentists' offices last year and plan to place another 10,000 in offices this year.

Gideons are business and professional people who devote time and efforts to raising funds to put Scriptures in the hands of those most in need of them and in places where they will be most used. "Gideons International 37,000 men in 94 countries who

Scriptures a month, have placed a total of 120 million since 1908," said W. David Luikaart of Grand Rapids.

"Where in America the Bibles go to doctors' offices, hotels, induction centers, hospitals, nurses and college students, they provide the only contact with God's Word for half the world's population which lives in countries closed to live Christian missionaries."

GORDIE SUPPORTS THE DANCE — Romulus Jaycee President Lee Silvery (left) and Dance Chairman Larry Lindemuth (right) join all-time hockey great Gordie Howe in

urging all residents to attend the annual Jaycee-sponsored March of Dimes Dance, Saturday.

Jaycees to set dance

Romulus Jaycees have set the annual March of Dimes Benefit Dance for Saturday at the Progressive Hall on Ozga Road, Romulus.

The dance, which will raise money for the March of Dimes Foundation, and its fight against birth defects, will begin at 9 p.m., and last until 2 a.m.

Tickets, at \$4 per person, will entitle the bearer to free beer, set-ups and snacks, along with dancing to live band music.

THIS YEAR, the dance will feature disposal of various articles from Detroit-area sports teams and personalities.

Included in the event will be five autographed hockey sticks from the Detroit Red Wings, two autographed footballs from the Detroit Lions, several bats and balls from the Detroit Tigers and an autographed basketball from the Detroit Pistons.

Personalities donating autographed goods are Johnny Carson, Ella Fitzgerald, Al Martino, Ray Lane, Vick Caputo, Charley Pride, Jerry Hodak, Jac LeGoff and Sonny Elliott.

Tickets for the event may be purchased either at the door or from any Jaycee prior to the event.

From park operators

Mobile home act provides protection

By WES THORP
Enterprise-Roman Lansing Bureau

Mobile homeowners are given several good sized cannonballs to throw at unscrupulous park operators in the proposed Mobile Home Park Relations and Practices Act.

The main provision of the act would give mobile home tenant's associations the legal right to bargain their differences with park owners and operators.

Other ammunition added to the mobile homeowner's armory would include:

—Creation of a state mobile home park tenants' relations board to deal with complaints against mobile home parks.

Prohibition against charging mobile homeowners entrance, exit, skirting and similar fees.

Prime movers behind the proposals are State Reps.

Cemetery association to hold meet

The Tyler Street Cemetery Association will hold its annual meeting at 7 p.m. Friday.

A potluck supper will be held followed by a business meeting and the annual election of officers.

Bobby Crim (D-Davison) and Gary Owen, 2nd District includes Belleville, Van Buren Township and part of Romulus.

Crim, who is expected to throw his influence as House majority leader behind the proposals, said at the present time "mobile homeowners are kind of second class citizens."

The seven-member mobile home tenants board to be composed of two park operators, three mobile home residents, a state public health employee and a member of the general public would have the responsibility of certifying tenant's associations as bargaining units.

If an association is certified, the act states, "it becomes the exclusive representative of all members in the bargaining unit for the purpose of bargaining with all mobile home park owners and landlords."

The tenants unions, the act add could negotiate all matters involving the use,

entrance and exit of a mobile home park.

For situations when local negotiation breaks down, the act gives the state board the power to investigate all

NBD extends hours

The National Bank of Detroit (NBD) has announced an extension of banking hours at most of its branches and expanded services at all drive-in facilities.

The schedule changes, which affect the communities of Belleville and Romulus and are effective Monday include:

—drive-in facilities will be opened from 8 a.m. to 7:30 p.m.

—downtown Detroit branches will be open from 9 a.m. to 5 p.m.

—other NBD offices within Detroit will open at 9:30 a.m.

—The bank's suburban offices also will be opening at 9:30 a.m.

THE MOST DRASTIC changes are those affecting the 35 drive-in facilities. Each of these facilities will be open 11 hours a day. Previous hours varied but many were operated only from 10 a.m. to 3 p.m.

alleged violations of the act. The board can then order the violations to be stopped or it can petition the Circuit court for a restraining order.

Also spelled out in the act are prohibitions against specific charges levied against mobile homeowners.

Edwin M. Bladen, head of the Attorney General's Consumer Protection Division said in an analysis of the act:

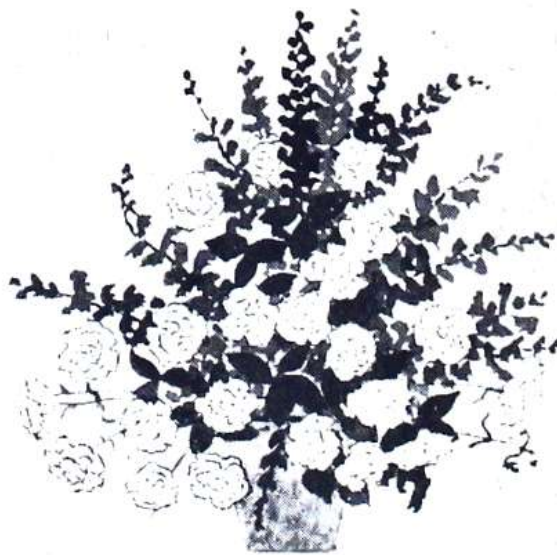

"Knowing of the continually rising need for space upon which may be parked a mobile home, mobile home park owners and landlords are in a relatively open economy to employ techniques to take advantage of mobile home park tenants."

Entrance fees, which would be forbidden under terms of the act, may range from \$300 to \$1,500, "depending upon the whim or caprice of the park owners," Bladen said.

Related to this, Bladen said are the requirements in some parks that a mobile homeowner purchase the skirting which closes the bottom of the trailer from either the park or a firm approved by the park.

"It is not uncommon to observe skirting costs to tenants two to two-and-a-half times the normal cost for purchase of identical or similar quality products from other establishments," he said.

Moore nixes plan

(Continued from Page 1)

Marshall resides in Lansing and the other man, M. Mullins lives in Grosse Pointe which again does not represent the majority of population growth in Wayne County.

Moore said "that the people of Western Wayne County can best be served with a transit system operating between the regional shopping centers with a route within a community transporting them to the shopping centers from pick up areas."

"It also appears that the legislature used a ridiculous formula in distributing the gasoline tax to build mass transit programs to transport people to a location that has continually decreased in population over the last 10 years."

"IF THEY ARE concerned about the majority of citizens they should provide the service to areas that are growing in population. They should also establish a program of representation from these areas where representation is needed."

Sen. James Fleming (R-19th district) has initiated a signature petition drive to have the 2 cent gasoline tax increase placed on the ballot where voters can decide whether they want such a tax. Moore said he supported the drive.

THE PETITION drive is seeking 115,000 signers. Moore said he will help get people to sign the petition.

Editor named

(Continued from Page 1)

membership in the Junior Chamber International Senate.

Following work as a general assignment reporter with the Detroit Times from 1953 until it ceased publication in 1960, Kehetian spent six months at the Columbus (Ohio) Citizen Journal. He joined the South Macomb News, then one of two weekly newspapers published by the Macomb Daily, prior to its merger with Panax Corp.

Two years later he left to work in the public relations department of the Dodge Main plant in Hamtramck. Eighteen months after that he returned to newspapering as managing editor of the Community News-East Side Newspapers for 36 months prior to rejoining the Macomb Daily.

Mr. Kehetian replaces former editor Basil Stevens who has resigned.

County contempt hearing postponed

Circuit Court Judge Joseph A. Sullivan last week adjourned a contempt hearing in order to give the Wayne County Board of Commissioners time to decide whether it will comply with a court order that it fund a collective bargaining agreement covering Circuit Court probation officers. The hearing was delayed until tomorrow.

The judge acted a few hours after the Michigan Supreme Court turned down a Board of Commissioners request that the high court stay the proceedings and hear the case.

The high court denied the request on a 4 to 3 vote. The courts decision not to take the case left the Board of Commissioners facing a possible contempt of court requested by the probation officers union, Local 1905 of the American Federation of State, Municipal and Municipal Employees.

The conflict involves a contract concluded by the

circuit court and 42 probation officers Oct. 10. It is a 2-year wage pact retroactive to July 1, 1971.

The Board of Commissioners has failed to appropriate funds to implement

the contract since that date contending that the court usurped the legislative function in negotiating the contract and is attempting further usurpation by order the contract be funded.

Goings on

Meetings

The Romulus City Council will meet at 8 p.m. tomorrow at the municipal building, 11111 S. Wayne Rd., Romulus.

The Romulus Board of Education will meet at 7:30 Monday at the school district's administration building, 36520 Grand Rd., Romulus.

The Romulus Recreation Commission will meet at 8 p.m. Tuesday at the municipal building, 11111 S. Wayne Rd., Romulus.

The Romulus Board of Appeals will meet at 7:30 p.m. next Wednesday at the municipal building, 11111 S. Wayne Rd., Romulus.

The Huron Township Board of Trustees will meet at 8 p.m. next Wednesday at the township hall, 37290 Huron River Dr., New Boston.

Death

Frank E. Zahn, 73, of Wayne, March 1, Baum Funeral Home, Romulus.

Romulus youth dies

A 16-year old Romulus youth recently died as a result of an automobile accident.

Terry Leon Clark, 16, of 36904 Goddard, Romulus was killed when his car collided with a car driven by Jane Durkin of Monroe on Huron River Drive south of Eureka Road.

Clark was taken to Wayne

County General Hospital where he was pronounced dead on arrival.

Weldon Vann Locklear, 19, a passenger in Clark's car was hospitalized at Wayne County General.

The driver of the other car was treated and released.

The Wayne County Sheriff's Department attributed the

cause of the accident to icy road conditions.

He was the son of Mr. and Mrs. Holland Clark of Romulus.

The funeral services were held at Missionary Baptist Church in Flat Rock with interment in Michigan Memorial Park, Flat Rock.

Commissioners won't increase water bills

Once again a committee of the Wayne County Board of Commissioners has declined to approve a requested sewage treatment rate increase that would raise household water bills in eight downriver communities.

The proposed increase last week was declined for the third time by the Public Works Committee, serving as a public board of review on rates.

MORE INFORMATION is needed before a final decision is made, members of the committee told officials of the county road commission. Twice before the committee also asked the road commission to supply more data to justify the amount of increase proposed.

The road commission, which operates sewage treatment plants at Flat Rock, Rockwood and Trenton, wants a rate increase from the present \$80 per million gallons

to \$230 per million gallons of wastewater treated at the three plants, retroactive to Dec. 1, 1972.

If approved as proposed, the increase would add about 30

cents per person per month to water bills in the communities of Gibraltar, Woodhaven, Brownstown, Rockwood, Flat Rock, Huron Township and New Boston.

CITIZENS HONORED — Romulus Council President Pro-Tem William Oakley recognized Mr. and Mrs. Irvin Icenogle for the good citizenship the couple had displayed during the past two years. The couple has never missed a Romulus City Council

meeting. Both the Icenogle's are active in Romulus Senior Citizen Affairs, and Mr. Icenogle has been appointed to serve on the city's Tax Board of Review, which will convene next week.

—Romulus Roman photo

Jaycees set sale of jelly

The Romulus Jaycees will be one of three area chapters taking part in the annual Michigan Jaycee "Jelly Week," March 26 through April 1.

Jaycees across the state, including those from Westland and Garden City in this area, will be selling 10 ounce jars of "Mrs. Owens Jelly" at \$1 per jar, with 85 per cent of the proceeds going to benefit local charities.

The Romulus chapter has decided to send its profits realized from the sale to the Western Wayne Association for Retarded Children in Inkster.

Jaycees will be circulating throughout Romulus, Belleville, Taylor and Wayne during "Jelly Week." Door-to-door sales are scheduled for March 31 and April 1.

The Jaycees also plan to patrol local banks March 30, asking residents to purchase jars of jelly.

Should any resident wish to order jars in advance, he can do so by contacting Tom Von Glahn at 941-4320 during the day or Mike Pawelak at 941-0049 during the evening.

PCHA officials say accreditation stays

The Peoples Community Hospital Authority (PCHA) facility, Outer Drive Hospital in Lincoln Park, has not lost its accreditation, according to authority attorney B. Ward Smith.

But a Feb. 2 letter to the administrator of the hospital asked that the Certificate of Accreditation issued by the Joint Commission on Accreditation of Hospitals (JCAH) be returned to the JCAH office in Chicago.

Smith said he does not agree with the letter sent by John D. Porterfield, M.D., director of JCAH because "the letter was not in accordance with their (JCAH) procedures."

"According to JCAH bylaws, while you are appealing a decision, ac-

creditation stands," Smith added. "Outer Drive Hospital has not lost its accreditation, but it may in the future if the appeal and resurvey is not satisfactory."

"He (Porterfield) can't take away something (accreditation) while we are in the process of appealing."

PCHA and hospital officials attended an appeal hearing in Chicago last week and asked for a resurvey of the facility.

"We decided to appeal because we were confident a number of matters (listed deficiencies) needed review," said PCHA Executive Director Karl S. Klicka M.D. "The report was unduly harsh with its judgment of the hospital."

Of the 46 original comments or deficiencies listed in the

survey report completed in September, the Tuesday meeting resulted in a reduction of the violations to 25, according to Klicka.

JCAH has agreed to send a seasoned surveyor inspected the facility Monday and Tuesday.

'Let's come together' An answer to 'no amnesty'

Should the United States help rebuild the bombed cities of North Vietnam - the same cities U.S. bombers flattened to dent the military threat of the "enemy?"

Should the United States, in a gesture of "let's come together," grant some form of amnesty to those who evaded the draft by deserting to Canada and Sweden?

President Richard Nixon was emphatic when he issued his "no draft amnesty" notice, and because of his landslide election last fall the President will apparently stick to his no amnesty edict for "four more years."

But in the meantime, American greenbacks will be used to rebuild North Vietnam. An ironic touch - capitalist dollars to rebound the communist enemy.

First and foremost, the question of draft evaders must be resolved. Are these misguided young men a greater threat than the North Vietnamese? If the President is willing to help rebuild the enemy, should he not offer a "let's come

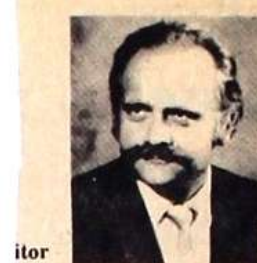

together" message to American boys who fled their country to evade the draft.

Before we openly condemn the evaders, some of that condemnation must be aimed at members of the Congress who helped divide this nation over the Vietnam Question.

We should also condemn those who set up draft evasion counseling clinics - and members of the clergy who allowed draft evaders to seek refuge in the House of God.

While I have little sympathy for those who would flee from this land to avoid the draft, I for one cannot turn my back on a fellow American - whatever his reason or philosophy. Maybe it's because my immigrant parents taught me that this is the greatest land on the face of this earth - but unfortunately many Americans fail to recognize the freedom and greatness of America.

If the President is considering spending billions of dollars to rebuild North Vietnam - the same enemy responsible for

A PANAX PUBLICATION

Wednesday, March 7, 1973

Van Buren Township shows sound planning

Two recent developments in Van Buren Township are deserving of comment - the kind of development planning we applaud.

First and foremost, we single out the township's present study of a comprehensive planning process report for Wayne County as it relates to Van Buren's future growth and development.

While the study's intent is geared to provide a meaningful and workable plan between the township and other local units of government, it will also assist the Wayne County Board of Commissioners in effectively determining the long range improvement of the county.

The comprehensive report was made possible with the assistance of funding made available through the Department of Housing and Urban Development's urban planning program.

Talk of growth, the kind of growth that enhances a community, is heard often in city and township halls - but in Van Buren Township, the officials have taken a positive approach to the future.

Van Buren's future will be on sound footing - thanks to sound thinking officials who want

the best possible for their township.

Another encouraging development worth mentioning in these columns is the construction of the largest commercial development in the township's history.

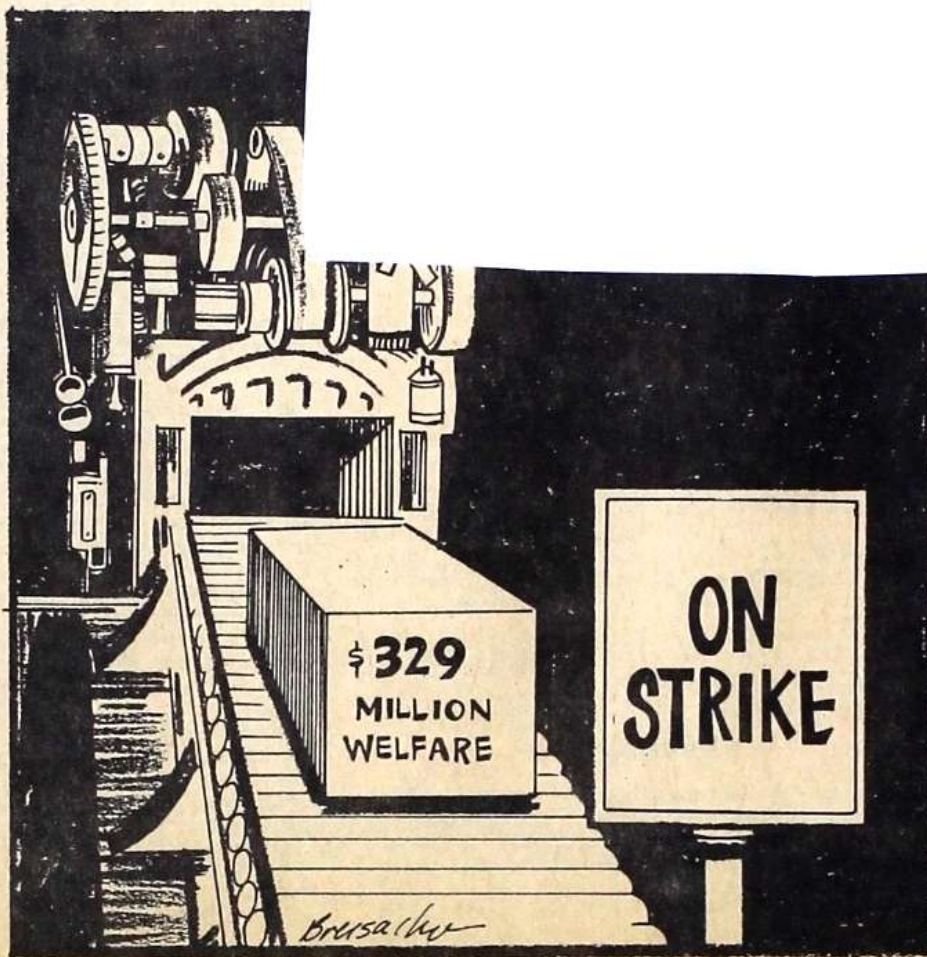

The sprawling commercial development will include a K-Mart Store and a Chatham Supermarket - in addition to 20 other retail businesses.

Being built on a 20-acre site at the I-94 Expressway and Rawsonville Road, the center will also include a movie theater - a form of entertainment not presently available to Van Buren residents.

While providing township residents with shopping services, the center will also help where it counts the most - school and township treasuries.

Approval for the rezoning necessary to construct the township's largest commercial development in history came from the Van Buren Board of Trustees and the township's Planning Commission.

We applaud both township agencies and the developers who see a future for business growth in Van Buren Township.

THE LINES KEEP ON ROLLING.

Special report

Mazey backs welfare for workers on strike

(Second of three parts)

UAW Secretary-Treasurer Emil Mazey said public welfare benefits to families of strikers only prevents management from starving them into an unfair settlement.

He said the real economic victims of strikes are the workers.

"The corporate executives don't go hungry during a strike," he said. "They still get their salaries and their bonuses and their car allowances and all that goes with them."

"They decidedly aren't affected by any personal suffering. There may be a loss in profits to the corporation and dividends to the stockholders."

Mazey spoke out for the other side after disclosures by two University of Pennsylvania researchers that taxpayers are footing the bill for \$170 million a year in welfare benefits to strikers.

The findings of Dr. Armand J. Thieblot Jr. and Ronald M. Cowin, of the University of Pennsylvania's Wharton School of Finance and Commerce, said the General Motors strike in a dispute with management, giving them an edge in the collective bargaining arena.

Mazey, who debated both Thieblot and Cowin on the Detroit-based Lou Gordon show, said the research shows a management bias from the start.

He said Thieblot and Cowin "didn't have the curiosity" to find the identity of the industries who financed their study and that Herbert R. Northrup, director of the sponsoring unit, refused to talk with him by telephone.

The help strikers get, Mazey said, "is just about enough to keep them going" and not sufficient to encourage them to prolong a strike.

"We were prepared to carry the (76-day GM) strike beyond the 76 days," Mazey said. "It was critical to us that we recover our cost-of-living escalator."

The UAW is still paying off the loans it negotiated to help pay for its losses during the

By DON HOENSHELL

Daily Eagle
Lansing
Bureau Chief

of the strikers," he said. "They (Thieblot and Cowin) said the workers should accept the last company offer."

"They are on the side of management. The last offer might not be fair one. And even then, the strikers in unions are taxpayers too and what they are doing is assisting their fellow human beings."

The United States, he said, sent millions to help the shattered war refugees of Bangladesh "and we should be able to help our own people."

Harry Hall, executive secretary of the Michigan State Chamber of Commerce, joined the debate against the increasing use of public funds to help workers during a strike.

"They have left their jobs voluntarily," he said. "What we're doing is financing strikes with public funds. It no longer is a battle between labor and management, which is what a strike is all about."

He said the strike-subsidy formula places the taxpayer in the position of forcing a tax increase upon himself to finance a strike against himself.

Hal Boyle

Gloomy thoughts on middle age

NEW YORK (AP) — Remarks any man gets tired of hearing on any of his birthdays after the age of 39:

"So you're a year older. Well, that happens even to nice guys. Cheer up."

"Did you ever stop to think that after 35 every birthday makes it that much more unlikely that you will ever be a success in life?"

"Please accept my congratulations. I'm too cheap to buy you a get-well card."

"It makes me think of when you first came to work here. You used to have a boyish grin then. What happened to it?"

"Now that you're a year older, don't you think you ought to start trying to make sense?"

You can't do it any younger."

"I knew you wouldn't want to eat at home on your birthday - no human being does. So, I reserved us a table at - oh, shut up, Henry, it isn't all that expensive, and anyway, you only have a birthday once a year - now and then."

"Fortunately, you're one of those people who can wear wrinkles fairly gracefully."

"Ha, Ha! That's good for a laugh. But now let's get down to the truth. How old are you really?"

"Don't let it get you down. There's a fair chance you'll survive to see another one."

"So, you're a year older. Do you ever get the feeling you're living on borrowed time?"

Shield Law protects freedom of the press

Michigan should place on its lawbooks a full-coverage shield to protect a reporter's sources of information.

The issue is greater than the six newspapermen who have gone to jail rather than reveal their sources.

It is, rather, a question of the right of a free people to have a free press, unshackled in its search for the truth by an increasingly repressive government.

Panax Newspapers applaud the efforts in the legislature to write comprehensive shield laws, extending them beyond the present statute which applies only to grand juries.

Under no circumstance should a reporter be forced to reveal his sources to a governmental agency.

It is true that there are those in the newspaper business who abuse their First

Amendment freedom of the press for their own advantage, unscrupulous practitioners of an honored craft.

But the flaws of a free press are far less dangerous than the abuses of political power - and far less common in a day when political leaders themselves are reacting to public cynicism.

We place our trust in the responsibility of the whole system of newsgathering, the editors and publishers as well as the reporters, to honor and fulfill their freedoms.

Some have proposed shield laws with restriction, picking and choosing how freedom of the press shall be exercised.

It is our view that the press cannot exist half free.

A Panax Editorial

A safe streets plan

In a move to counter a reported rise in crime, the City of Romulus will request that an additional police patrol unit be added to the present two-car patrol service.

This move by Romulus officials deserves the support of the entire community. The crusade to stem the tide of crime is costly, but it must be done to protect the public.

Most encouraging is that the city can request the additional Wayne County patrol unit without having to seek revenues through a tax increase.

And in the months ahead, an attempt to increase the city's present road patrol service to four cars will be made.

The best offense against crime is a show of force. By adding the one additional patrol

unit, offenders of law and order will think twice before taking a path of crime.

While concerned city officials feel an addition to the patrol unit will aid in reducing crime, the citizenry can join in an effective anti-crime effort.

When an act of crime is taking place, don't turn away from being a responsible citizen - call the police.

Too often we merely indict society for the mounting crime rate in this nation, but fail to recognize that responsible crime-fighting citizens make-up this society of ours - and by reporting all incidents of crime we can hopefully rid our streets of crime and violence.

Christian and Rosemary Fisher of S. Wayne Road have a keepsake they will always treasure and appreciate. It is an engraved "thank you" letter bearing the signatures of Mrs. Lyndon Baines

Johnson (Lady Bird Johnson), Luci Johnson Nugent and Lynda Johnson Robb, sent in response to a card and note of sympathy the Fishers sent at the death of the late president.

The monthly meeting of the Men's Club is scheduled for

Sunday morning, in the basement of the Community United Methodist Church on Olive Street. It is a breakfast meeting and begins at 7:30 a.m.

Mrs. Lillian Hay of Belleville, former long-time

resident of Eureka Road, Romulus, has left University Hospital in Ann Arbor. Mrs. Hay, 80, is now convalescing following surgery, at the home of her son and daughter-in-law, Mr. and Mrs. Gordon Hay, at Saline.

Mrs. Dora Skiff of 96822 Perry Street will celebrate her 19th birthday on Monday.

Mrs. Donald (Connie) Morris will hostess a Tupperware party to benefit the Sunday School of Community United Methodist Church, beginning at 7:30 p.m. March 15, at her home, 37545 Walnut Drive, Romulus.

Colds 'catch' by hand

The common cold may never be uncommon.

There are at least 80 different known cold viruses, and scientists think there are many more yet to be pinpointed. Immunity to one virus is no defense against the other known 79. As a result, nobody is too optimistic about the future of cold vaccines. The best protection is to stay as healthy as possible and take care when you do get infected.

Many cold viruses are spread by coughing and sneezing. But infection is spread other ways as well. The rhinovirus—which causes from 30 to 40 per cent of common colds—may not always be in a cough or sneeze but passed on from the hands of those with this kind of cold.

After blowing his or her nose, the infected person may keep the invisible virus on his hands. The virus may remain for as long as three hours even on some of the surfaces he touches.

stays for hours on plastic, Formica, and stainless steel but not so long on cotton cloth and paper handkerchiefs. A noninfected person can pick up the virus by touching the same surface and then can put the germs into his own body by rubbing his eyes or putting fingers in his nose.

If you have a cold, washing

your hands frequently after blowing your nose might prevent spreading the infection. Keeping fingers away from your eyes and nose is another. Play it safe and also cover your coughs and sneezes—just in case your cold is caused by some of the viruses that are spread that way.

At Quirk School

Badges, awards given by Troop

Girl Scout Troop No. 587 of Belleville held its second special meeting of the year at Quirk Elementary School, Belleville. The troop, sponsored by the school, presented badges and pins to members of the troop.

Troop leaders Mrs. LaDonna Bauer and Mrs. Joan Monforton made the following presentations: Robin Rice received the camera, artist in the round, skater, dabbler badges and third year pin; Shelley Harris, sewing and dabbler badges and third year pin; Thelma Pierson, skater, sewing and health aid badges and third year pin; Jeanette Collyer, skater and pets badges and second year pin; Marilyn Aikens, skater, backyard fun, dabbler, pets, drawing and painting, housekeeper and collector badges and second year pin.

Carolyn Aikens, collector, cook, skater, dabbler, pets and housekeeper badges and second year pin; Julie Rosinski, cook, sewing, home, dabbler, drawing and painting and housekeeper badges and second year pin; Robin Wood, skater, my home, dabbler and housekeeper badges and second year pin; Amana Marcum, skater, dabbler and housekeeper badges and second year pin.

Liz Smith, skater, dabbler, cook and third year pin; Jill Bauer, skater, dabbler, cook and musician badges and second year pin; Cindy

VanValkenburg, dabbler and pets badges and second year pin.

Toni Baker, dabbler, housekeeper, cook and sewing badges; Becky Adamson, dabbler and sewing badges and second year pin; Marie Monforton, sewing badge and third year pin; Carol Laskowski, cook, sewing and housekeeper badges and second year pin.

Donna Phillips, sewing badge and second year pin; Carol Thorne, hospitality badge and second year pin; Penny Ward, dabbler badge; and Donna Phillips, sewing and second year pin.

After the presentation of the awards, the Girl Scouts served refreshments to their parents and families.

The troop announced it has a newly-registered assistant, Miss Marianne Sole, who has been diligently working with the troop for the past two months.

In January, 22 members of the troop went on a field trip to Washtenaw County Sheriff's Department where they were shown finger printing, the emergency call board, the rescue equipment carried in the sheriff's car and the various signals and sirens the department uses.

Following the visit to the sheriff's department, the Girl Scouts visited the Washtenaw County jail where they were divided into groups and taken on a tour of the cells, kitchen, library and laundry.

September wedding scheduled

Romulus High School graduates, Linda Gilliland and Alan Abdo, are engaged and making plans for an autumn wedding. Their betrothal is announced by Mr. and Mrs. E.W. Gilliland, Jr. of 36910 Menton, Romulus, parents of the bride-elect.

The prospective bridegroom, an employee of Vesco's Supermarket in Romulus, is the son of Mr. and Mrs. George Abdo of 13460 Inkster Road, Romulus.

A September 22 wedding date has been set.

Assembling components for a home entertainment center often calls for a shelf system of western pine boards on 2x4-inch supports.

Greenfield Village fun on calender for Scouts

Members of Girl Scout Cadette Troop No. 409 of Romulus attended a recent Intertroop Activity at Greenfield Village and enjoyed an overnight stay at Lovett Hall there.

The girls toured the Henry Ford Museum and other buildings; enjoyed an hour of swimming, a hayride, and dining at Clinton Inn on the grounds of Greenfield Village.

The Girl Scouts especially enjoyed being entertained by accordionist Larry Hassy, dorm boy, "Dave, the Blacksmith," also did his "thing", turning out rings made of nails.

Members of the Troop attending were: Kim Anderson, Lori Bichel, Kim Christensen,

Lisa Cross, Patty Ellis, Vicki Farrugia, Danette Hamel, Carla Jones, Terri Jefferson, Cindy Loeman, Vickie Mayberry, Jo Ann Miller, Francine Patrias, Billie Pressler, Tracy Sobczak, Pat Stevens, and Peggy Summerfield.

Attending as guests were the following members of Cadette Troop No. 215 from New Boston: Beth Brown, Cindy Keevis, Sandy Lane, Vickie Lindsey, Sheryl Stein, Sandy VanDunier, and Patty Ann Voss. Also, from Senior Troop No. 345 of Romulus High School: Adelle Austin, Ivy Austin, Marie Haener, Cathy McNivitch and Christine Streety.

Transportation was provided by Troop No. 409 leader, Mrs. Dianne Summerfield; Mrs. Stevens, Mrs. Christensen; Troop No. 215 leader, Mrs. Cathy Spicer and Troop No. 345 leader, Mrs. Jean Savage.

Wood moldings are both practical and decorative. Door and window casings and chair rails protect walls in heavy use areas.

A THOUGHT TO REMEMBER

BY HAROLD REDISKE, DIRECTOR

Have you ever noticed those who think twice before making a promise can usually be counted on to keep the promise? Careless promises should never be given - or counted on. A promise is a pledge; an obligation to be kept. A promise that can cause discomfort, harm or injustice to yourself - or to others - should never be made, no matter how much prodding or persuasion is involved. Common sense should tell us the more we are promised, the less we should expect.

It is usually very easy to make a promise... Expediency or change of mind is seldom a justified excuse for breaking a promise... A promise involves honor, duty and ethics... The best promise you can make - is a promise to yourself... Promise yourself you will never make a promise to any one, unless you are fully prepared and able to keep your promise... In addition to spiritual benefit, it is a good way to gain honor, stature, praise and prestige among men...

New uniforms

Look of the '70's worn by Scouts

The area's 5400 Brownie Girl Scouts have a new uniform, the first in 32 years, it was announced today by the Huron Valley Girl Scout Council.

The new outfit consists of five separate garments that can be combined in 12 ways to accommodate different climates, activities and individual 7 and 8-year old tastes. Any combination is official. The uniform design is the result of a two-year study by the Girl Scouts of the U.S.A. which sought to replace the shirt-waist dress adopted in 1941 with a more versatile uniform.

The five pieces include an A-line jumper with two slash pockets, shorts with elastic waist and one pocket, and long slightly-flared pants with elastic waist, all in light brown cotton. An orange ribbed nylon turtleneck and a cotton blouse, white with brown variegated stripes of stylized Girl Scout tre-foils, complete the selection. All cotton pieces are permanent press with soil release finish.

Items remaining the same in the new uniform as in the past are the brown felt beanie, the brown knee-socks and tights, and the belt purse.

Although the old-style uniform may still be worn, Brownie leaders feel that the new uniform is far more comfortable for active sports

and easy to care for, according to Mrs. Jo Stevens, executive director of the Council.

The first Girl Scout uniform created in 1912 and worn by Scouts of all ages consisted of a Navy middie blouse and skirt with a light blue tie. By 1914 the uniform became a khaki skirt and tuck-in blouse with campaign hat and a black sateen kerchief.

Brownies got their first uniform in 1926, a brown dress with peaked hat and matching bloomers. In 1933, the dress was modified and the bloomers were eliminated.

The brown cotton chambray uniform and dark brown beanie in current use was introduced in 1941. The only modifications since then came in 1962 when an orange cotton four-in-hand tie and an orange emblem on the beanie were added.

In Washtenaw, Livingston, western Wayne and northern Monroe counties, the new Brownie uniform may be purchased at Goodyear's in Ann Arbor and the J.L. Hudson Company in Westland.

Prices for the various pieces are: the jumper at \$5, the turtleneck at \$4, the long pants at \$3.50, the blouse and shorts at \$2.50. A new orange tie at \$.95, a self-belt at \$.90 and the beanie at \$1.00 are also now available.

THE 1973 LOOK -- There's a new look in uniforms for the Girl Scouts of America these pre-spring days. And we were lucky to get two pretty young ladies to model the incoming and outgoing garb for the modern-day Scout. Andra Whittico (left), the nine-year old daughter of the Jim Whitticos of 47471 North Shore Drive, Belleville, sports a zippered, A-line jumper with two slash pockets worn over a blouse of white cotton with brown variegated stripes of stylized Girl Scout trefoils. Her slacks are also part of the new five-piece ensemble which includes shorts and an orange ribbed nylon turtleneck. Susan Kohr (right) daughter of the Raymond Kohrs of 47468 North Shore Drive, Belleville, is shown in the shirt-waist dress which was adopted for Scouts in 1941. Both Andra and Susan are members of Troop No. 362, sponsored by their Edgemont School P.T.O.

Suprise party is given for Frigards

On Saturday, February 24, Mr. and Mrs. Charles Frigard of 383 Church St., Belleville, were honored at a combined surprise party honoring them on their birthdays which fall on February 29 and 27 respectively.

Children and grandchildren came in by plane and train to be present for the gala affair which was held in the Fellowship Hall at the First United Methodist Church.

Present were Sarah Splan from Fresno, California; Mr. and Mrs. Alan Bird and family

from Rockville, Maryland; Don Brooks from Denver, Colorado; Ray Frigard and family from Minneapolis; and friends from Ohio and Pennsylvania.

The Rev. Charles Dilbey, Pastor, gave the invocation at the dinner which was prepared by Mrs. Arthur Shephard and daughter, Mrs. Roger Ferguson.

All present enjoyed an afternoon of visiting and the happy couple were presented with many gifts.

The Frigards have been residents of Belleville since 1947. Mrs. Frigard having been a teacher in the Van Buren Schools. They wish to thank all who made the day so very enjoyable.

He's called Rodger Jason

Rodger Jason is the name chosen by Rodger and Lorain Howell of 40566 Alden Drive, Belleville, for their new son born February 25. The 7 lb., 15 oz. heir arrived at Riverside Osteopathic Hospital in Trenton and is the couple's first child.

The infant's grandparents are Mr. and Mrs. Herbert Hoerig of Belleville and Mr. and Mrs. Dale Howell of Ypsilanti.

The new father is currently serving with the U.S. Army at Fort Hood, Texas.

ZZZZZZ...

You can do more while you sleep than catch some "zzzz zzzz." How about learning languages, "hearing" how to control tension...and more. Scientists say that sleep-learning will gain more advocates in the 1970's as busy Americans decide that one-third of their lives (that's how much you sleep) is too much to spend counting sheep. The Russians have been working on this process for years. Now a U.S. entry in the field, Automated Learning Inc., has cassette tapes that teach while you sleep. Write them at 1275 Bloomfield Avenue, Fairfield, N.J. 07006 for more information. je parle francais...zzz...tu parles...zzz...il parle...zzz!

Becks on-the-go during visit

THE BECKS — David, Kathy, Kitty and Barbara — were in town recently to visit his grandmother, Mrs. Winifred Coleman, his aunt, Laurel Rutherford, and other relatives in the area.

One of the first activities on the visitor's busy schedule was an evening at Ramada Inn with the above-mentioned and also the Dick Colemans and daughters, Kimberly and Gina from Taylor, and the Rick Utleys of Wayne. The girls, all good swimmers, enjoyed the pool while their elders visited and had refreshments.

On Tuesday, Ingrid Utley and Kathy Beck, were luncheon guests of the former's mother, Mrs. Olga Preis in Romulus, and that evening a dinner for eight was hosted by Mrs. Winifred Coleman and Laurel Rutherford for Kathy and her family.

After being entertained by the Dick Colemans at dinner on Wednesday, the visiting Becks traveled to Port Huron, David's hometown, for a visit with friends.

The Becks left last week for Germany (Kathy's homeland) where they will live for the next three years. David, who is making the U.S. Army his career, is the son of Mrs. William Dunkel (the former Rose Coleman) of Florida and Walter Beck of Georgia.

Gifts galore are for nursery

ED AND LINDA WYSZYNSKI, who are awaiting the birth of their first child, have a complete layette waiting for their heir — thanks to friends and relatives.

Linda received all the pretty baby items at a recent stork shower given in her honor by Jeonette Wyszynski at her home on Judd Road.

Twenty ladies enjoyed card bingo and luncheon after watching the honoree unwrap her gifts. The prospective mother is the former Linda Gentz of New Boston.

Birthday shared by aunt, nephew

EILEEN SELL and her nephew, David Staffeld, share the same birth date — February 21. Combining preparations and honoring the two at one party were David's parents, the Donald Staffelds of Romulus.

Neighbors of the Staffelds, Tess and Nancy Richardson, baked and decorated the birthday cake which was served after a buffet lunch.

Guests wishing David a happy fifth birthday and Eileen a happy 11th included Don and Ann Staffeld, Harold and Lillian Sell, Jerry and Margaret Staffeld, Bruce and Karen Siebath and baby, Monica Lynn, Elaine Sell, Tom Lavender, Byron and Cindy Sell, and David's two younger brothers, James and Robert.

Second shower given for Chris

INVITATIONS were tagged 'miscellaneous' when they went out to friends and relatives of Chris Hustyi who was honored guest at a bridal shower Sunday, February 25.

Guests from Detroit, Lincoln Park, New Boston, Carleton, Flat Rock, Dundee, Southgate, Willis, and Belleville were welcomed by co-hostesses, Mrs. Carol Kovalak and Mrs. Lewis Hustyi. Card bingo was the afternoon entertainment followed by a buffet supper.

Assisting the bride-to-be as she opened her gifts were Mrs. Kovalak, who's to be honor attendant at the wedding, and a bridesmaid, Mrs. Nora Allen of Detroit.

Chris and Walter Morrell of Belleville are to be married March 24 at St. Joseph's Catholic Church in Whittaker.

Daughter surprised after swim meet

THE BERT SMITH family and Mrs. William Hudge and daughters, Judy and Cindy, were in Ypsilanti Tuesday evening to watch the swim meet between Kalamazoo College and Eastern Michigan University. The Smith's eldest daughter, Luanne (a sophomore at K. College), is a member of the women's swim team and took part in the competition.

Following the meet, the Smiths entertained the entire team and their coach, Mrs. Lynn Mauer, with cake, cokes and coffee in the dining hall of Wise Hall. The get-together was a surprise for Luanne who marked her 20th birthday the following day.

Shower for Molly tagged 'miscellaneous'

MOLLY LARSON, who will be the bride of Charles Stabnau in five weeks, was the special guest at a pre-nuptial shower given Sunday, February 25, at the Roy Stabnau home on Belleville Road. Co-hostesses Mrs. William Burhop and Mrs. Harvey Stabnau welcomed some 55 guests to the miscellaneous event.

Bingo and an ice-breaker balloon game were enjoyed by friends and relatives from St. Helen, Ann Arbor, Ypsilanti, Willis, and Belleville with the bride-elect's mother, Mrs. Pearl Larson, having traveled from Marquette for the occasion. Door prize winners were Mrs. Ruth Sherman of Willis and Mrs. Marian Sherman of Ann Arbor.

Molly, a senior at Michigan State University, has set an April 14 date for the wedding which will be held at the Alumni Chapel on the East Lansing campus.

The color scheme of the wedding, purple and white, was used as the hostesses decorated with streamers and wedding bells. A special shower cake served as a centerpiece during the buffet lunch. When Molly opened her gifts she was assisted by Cathy Stabnau who'll be an attendant at the wedding.

MRS. CARL P. ROGALSKI

Methodist church is wedding site

In a candlelight setting February 16 at the First United Methodist Church of Belleville, Debbie Kay Cole and Carl Paul Rogalski exchanged nuptial vows and wedding bands.

The seven o'clock ceremony before some 100 assembled guests was conducted by the Rev. Charles Dibley.

The bride is the daughter of John W. Cole of 129 Carmell, Belleville, and Mrs. Dorothy M. Cole of 14545 Elwell Road, Belleville. Mr. and Mrs. Stanley F. Rogalski of 22498 Waltz Road, New Boston, are parents of the bridegroom.

GIVEN IN MARRIAGE by her father, Debbie appeared

MISS JOHNSON

Daughter's engagement announced

The engagement of their daughter, Debora, is announced by Mr. and Mrs. Amos Johnson of 225 Roland Street, Belleville. The prospective bridegroom, Danny Williams, of 6541 Denton Road, Belleville, is the son of Mr. and Mrs. Walter Williams of 14170 Hoeft Road, Belleville.

Both young people are 1972 graduates of Belleville High School. Miss Johnson also attended State College of Beauty and is currently employed at Lorraine's Beauty Nook in Belleville. Her fiancé is an employee of St. Regis Paper Company, Ypsilanti.

No wedding date has been set.

in a bridal gown designed with full, chiffon sleeves with wide lace cuffs, a lace Mandarin collar, empire bodice, and a toe-touching satin skirt which terminated in a long train. A touch of color was added with tiny pink roses at the waist, collar and sleeves.

Her fingertip veil of nylon tulle was caught to a scalloped lace crown outlined with beading and seed pearls. Completing her ensemble was a nosegay of white roses surrounded by pink carnations.

As honor attendant for her best friend, Mrs. Karen A. Martin of Ypsilanti donned a satin gown with an overlay of chiffon. The lavender bodice was attached to a deep purple skirt. Her headpiece was a matching purple bow accented with a nylon net veil and her nosegay was comprised of purple carnations with lavender streamers.

Chester Rogalski of New Boston was his brother's best man and ushers were Mark Smeltkop of New Boston and Don Townsend of Flat Rock, the bridegroom's brother-in-law.

MRS. COLE chose for her daughter's wedding a floor-length gown fashioned in the empire mode with a hot pink bodice and flowered skirt. The bridegroom's mother wore a sleeveless pink brocade formal for the occasion. Both mothers were presented with gardenia corsages.

Following their reception at UAW Local No. 898 in Ypsilanti the newlyweds traveled northward for a week-end honeymoon. They are now making their home at 20 Locust Drive, Belleville.

The new Mrs. Rogalski was graduated from Belleville High School in 1972 and is currently working at the Ypsilanti Savings Bank. Her husband, a 1970 alumnus of Huron High, is an employee of Great Lakes Steel in Ecorse.

Molding magic

A wealth of ideas for using wood moldings to brighten, modernize a home are colorfully presented in an eight-page booklet available for 15 cents in coin from Western Wood Products Assn., Dept. 517-P, Yeon Bldg., Portland, Or. 97204.

Belleville Brevities

Foursome shares Texas trip; visits, tours

Mrs. Joseph Spring 699-1021

After a three weeks trip to visit relatives in Texas, Mr. and Mrs. Willis Moser of Bedell St., Mrs. Frank Hoag of Liberty St. and William Law of Biggs St. returned home Monday, February 26. Enroute down they encountered a blizzard at St. Louis, visited the Will Rogers Shrine at Claremore, Oklahoma, and found four inches of snow when they arrived at San Antonio where they visited a sister, Mrs. Howard Moser and a nephew and his wife, Mr. and Mrs. Owen Moser. During the 10 days spent there, they visited the Alamo and other places of interest. At

Angletown they visited a niece and husband, Mr. and Mrs. James Woodall, took a trip to Mexico, Galveston, the space center at Houston, stopped in Freeport to call on Mrs. Nash Kidd and Mrs. Annie Ross, relatives of Mrs. D.W. Ross of Liberty St.

Sunday afternoon callers at the home of Mr. and Mrs. William Graham, Sr. of Liberty St. were friends from Windsor, Ontario, Mr. and Mrs. William Barclay.

After having been a patient at Beyer Hospital for the past two weeks, Mrs. Orrin Post was able to return to her home on Liberty St. on Wednesday, February 28.

Mr. and Mrs. Russell Wilson of Elwell Rd. spent Saturday of last week with an uncle and aunt, Mr. and Mrs. H.O. Watson, of Toledo, Ohio. The former is recovering from recent surgery.

Mr. and Mrs. William Henderson of Belleville Rd. enjoyed a week's vacation this past week at Caber Fae Lodge near Cadillac.

Mr. and Mrs. Carl Miller of Colon were calling on relatives in the city last Wednesday.

Tuesday afternoon callers at the home of Mrs. Joseph Spring of Liberty St. were her sister and husband, Mr. and Mrs. W.F. Damske, of Dearborn.

Mrs. George Haft of Church St. spent several days last week with the Gary Jahner family at Tecumseh.

Mr. and Mrs. James Sayre of Morton-Taylor Rd. were among the 18 couples who attended the Kellogg Farmers' reunion held at the Park Place Motor Inn in Traverse City the week-end of February 23. The three days were spent dining, cross country skiing and touring Interlochen and the Chef Pierre Frozen Pie Company.

After having been a patient at Veterans' Hospital in Ann Arbor for the past month, Marvin Meerse was able to return to the home of his sister, Mrs. Henry Sager, of Columbia Ave. on Monday of last week.

Mrs. and Mrs. Lloyd Orr of Harmony Lane spent Sunday of last week at Ft. Wayne, Indiana, with their aunt, Mrs. John Hartzell, who has been quite ill with pneumonia.

Rev. Roger Arnett entered Beyer Hospital on Tuesday, February 27, for observation and treatment. Room 511.

MISS TILLOTSON

April 21 altar date is planned

Mr. and Mrs. James A. Tillotson of 34900 Prescott Road, Romulus, announce the engagement of their daughter, Nancy Anne, to Alton Lee Neely of Belleville.

A 1971 graduate of Huron High School, Miss Tillotson is currently in her sophomore year at Eastern Michigan University. She is employed part-time by Texaco, Inc.

Her fiancé, son of Mr. and Mrs. Lowell Neely of 44471 Bemis Road, Belleville, is a 1966 alumnus of Kennedy High School in Taylor. A veteran of the Vietnam conflict, he is presently employed at Down-River Tumbling.

The wedding is being planned for April 21.

Couple set summer date

Mr. and Mrs. Moses Askew of 11121 Moore, Romulus, announce the engagement of their daughter, Bonita Joyce, to Alfred Anderson Culbreath, Jr., son of the senior Alfred Culbreaths of 6366 Columbus, Romulus.

The young couple, graduates of Romulus High School, plan to be married at the First Baptist Church of Romulus in June.

For and about

Suburban Women

It's a Date

Beverly PTO sets talent show

The Beverly Parents and Teachers Organization will sponsor a talent show at 7 p.m. tomorrow. The show will feature pupils in all grades singing, dancing and playing musical instruments. Also on the program, as special guests, will be "The Jive Five Plus One" of Romulus. Admission is 25 cents for children and 50 cents for adults and the public is invited. The school is located at 35408 Beverly Rd., Romulus.

STUDENTS GRIP PYTHON — Romulus Junior High School students gripped a seven-foot python instead of a textbook recently in the school library while Tom Mack told classes about his pet. Frank Juliano (left) and Allen Zimmerman were the brave students who "dared" to hold the snake. Mack discussed snakes and brought two pythons, two copperheads and a rattlesnake to the class to help convince students that snakes are harmless. Other students and teachers handled the pythons after the discussion.

SCHOOL HILITES

Huron

Student Council holds spirit day

By SUE MAIANI
Huron's Student Council sponsored a day of spirit for the student body. Each class

was assigned a particular hall in the building and were told to decorate it.

The class with the best hall receives a \$15 prize and a plaque for the most spirit class.

The senior class won the money for its hall.

The Student Council also sponsored a dance Friday night to end the most successful spirit day ever held at the school.

Church holds sale

The Pleasant Valley Church of Sumpter Township will hold a rummage sale from 9 a.m. to 4 p.m. Friday and Saturday. The church is located on Sumpter Road between Dunn and Wear Roads, Sumpter Township.

Four seniors have been selected as Outstanding Teenagers of America for 1973. They are Mary Bealas, Sue Maiani, Rhonda Miller and Mark Mittlestat. The award, for academic achievement and community service, qualifies these students for further state, regional and national honors and scholarships.

Under the direction of the board of advisors, the Outstanding Teenager of America program was created to encourage young people to take full advantage of the opportunities in the country.

Biographies of the four Huron seniors will be recorded in the annual volume of Outstanding Teenagers of America.

HHS pins are being sold by seniors until March 15. Every student is encouraged to

purchase one. All profits made from the fund-raising project will be spent on supplies for the junior-senior prom and senior trip.

The 1973 junior-senior banquet will be held on March 13. All senior and juniors are urged to come.

Van Buren appeals board meets

The Van Buren Township Board of Zoning Appeals will hold a meeting 8 p.m. tomorrow at the Van Buren township hall, 46425 Tyler Rd. The zoning board of appeals will discuss.

Petition filed by David Sayers, 44471 Robson Rd., for permission to have a horse in a residential zone.

Request by Jim Lyos, owner and operator of Flag's Restaurant, 11511 Belleville Rd. at the I-94 Expressway, who wants a non-conforming use of lot for a parking area.

Petition filed by Virginia Crosswell, 39910 Expressway, for permission to live in a remodeled recreation building.

Request filed by Karl Szymanski, 22866 Cyman, to erect a house on an undersize lot.

Van Buren planners set hearing

A public hearing will be held at 8 p.m. March 14 before the Van Buren Township Planning Commission on a proposed amendment to the township's zoning ordinance.

A rezoning petition filed by the Congress Land Co., 17600 W. Eight Mile Rd., Southfield, will be the subject matter at the public hearing. This is the second public hearing on the rezoning request, which is being called by the commission to procure additional information.

The firm is seeking the rezoning of two separate land parcels totaling 3.5 acres and located on the north and south sides of the I-94 Expressway Service Drive on the west side of Haggerty Road.

Belleville needs bids for sewer

The Belleville City Council will advertise for bid proposals for the construction of a 500-lineal-foot sanitary sewer replacement and appurtenances.

Deadline for submission of bid proposal is 8 p.m. March 19.

Proposals that are received by the city will be opened at the council session on that date.

Hannan PTO hosts spring fashions in Romulus show

The Hannan Road Elementary School PTO recently hosted a spring fashion show. Parents, children and school administrators modeled fashions.

Proceeds from the show — \$125 — are being given to the school for the purchase of library books.

During a school business meeting, Principal David Schultz said that 27 pairs of roller skates have been bought for a new recreational roller skating program at the school. He said 25 cents per person will be charged for the use of skates. The money will be used to pay for, maintain and buy new skates.

LANDSCAPING also was discussed at a recent PTO meeting. Some school funds are available for the project. Charles LeValley was appointed to organize and coordinate the efforts to complete the project this spring.

Sumpter has spell champ

Sumpter Elementary School, 23501 Sumpter Rd., Sumpter Township, has a spelling bee champ.

He is sixth grader Terrence Fowler, the son of Mrs. and Mrs. Jiles Fowler, 22239 Sumpter Rd.

The spelling bee runners-up are Joanne Mitchell, daughter

of Mr. and Mrs. Joseph Mitchell, 21714 Sumpter Rd.; and Michael Gibson, son of Mr. and Mrs. Sarah Gibson, 19780 Clark Rd.

Terrence is preparing to compete in the district spelling bee to be held at the Elwell Elementary School in Belleville on March 28.

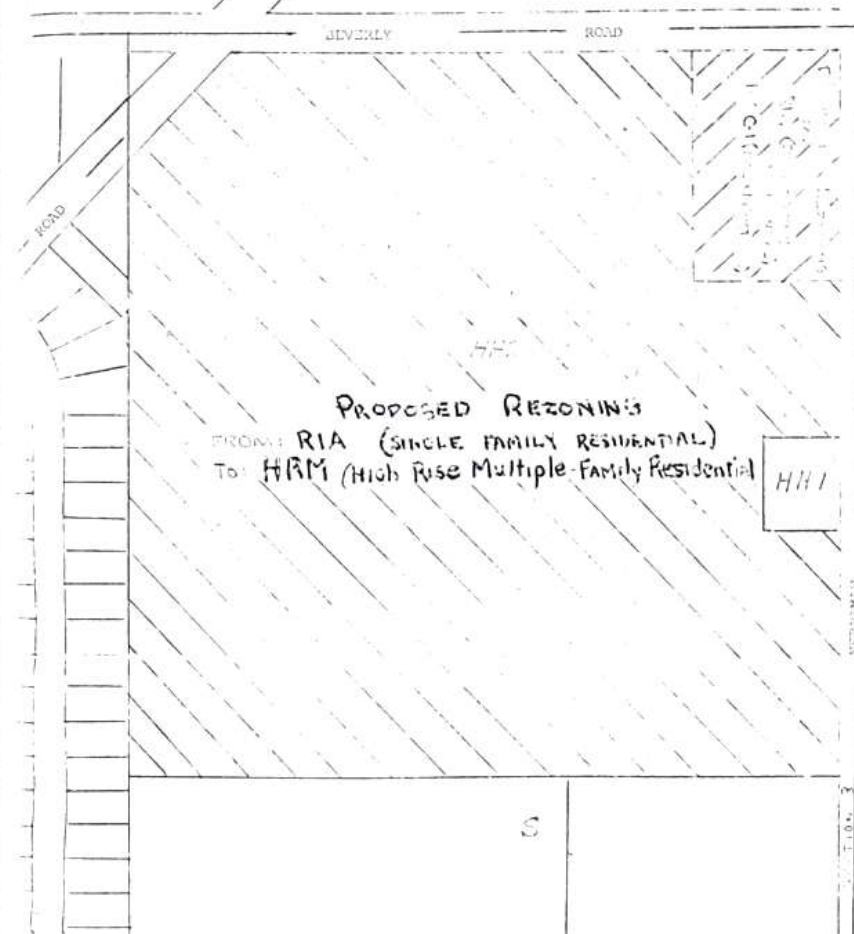

CITY OF ROMULUS NOTICE OF PUBLIC HEARING

Notice is hereby given that the Romulus Planning Commission will hold a Public Hearing on March 12, 1973, at 8:30 p.m., in the Romulus City Council Chambers, 11111 Wayne Rd., Romulus, Michigan on a proposed amendment to the text of the City of Romulus Zoning Ordinance, Chapter IV, Article 1, allowing the construction of high rise structures within the City of Romulus (Copies of proposed amendment available in the Clerk's Office upon request) and the following amendments to the Zoning Map:

A. REZONING FROM R1A TO HRM
"Land in the City of Romulus, County of Wayne, State of Michigan described as:

That part of the southeast 1/4 of Section 3, T. 3S, R. 9E, City of Romulus, Wayne County Michigan. Described as beginning at a point on the East line of said Section 3; distant south 443.00 ft. from the east 1/4 corner of said section 3; and proceeding thence south 267.00 ft.; thence west 165.00 ft.; thence south 160.00 ft.; thence east 165.00 ft. to the east line of said Section 3; thence south 431.97 ft.; thence S. 88 degrees 57'30" W. 900.18 ft.; thence S. 88 degrees 54'13" W., 764.12 ft.; thence N. 0 degrees 46'0" W. 1122.44 ft.; thence N. 43 degrees 42'20" E., 264.00 ft.; thence N. 89 degrees 20'50" E., 326.79 ft.; thence S. 0 degrees 46'00" E., 443.00 ft.; thence N. 89 degrees 20'50" E., 280.00 ft.; to the point of beginning containing 34.32 acres."

B. REZONING FROM R1A to C-1
"That part of the Southeast 1/4 of Section 3, T. 3S, R. 9E, City of Romulus, Wayne County, Michigan. Highway project plans include area improvement

State highway projects totaling \$27,952,000 have been scheduled for roads and highways in the 22nd House District during 1973 and 1974, according to State Representative Gary M. Owen (D-22nd District).

Of this total, \$9,187,000 is slated for projects in Washtenaw County and \$18,765,000 will be spent in Wayne County, Owen said.

Four projects in Western Wayne County will cost \$3 million or more. Bids on the first were let Feb. 21, at a cost of \$3,055,000. A 2.2-mile stretch of I-94 from the west county line to Beck Road is to be made into a freeway at this point. Another .3-mile west of the county line in Washtenaw County, also a part of the same project, was bid upon at the same time. It will cost an estimated \$1,935,000.

completed. Bids on the signs will be let June 20.

Another Wayne County project along I-94 will be let for bids April 18. This project, to run 1.5 miles from Morton Road to Haggerty Road, is estimated to cost \$4,010,000.

Two sections of I-275 are to be bid upon August 15. Two grade separations at the C & O Railroad crossing on I-275 also are to be bid on that date.

One section of the I-275 freeway will run 1.8 miles from Eureka Road to I-94 and is estimated to cost \$4,830,000. Another 3.1 mile section from I-94 south of Van Born, is estimated to cost \$5,430,000. The two grade separations along the C & O Railroad are estimated to cost \$230,000 together.

The costliest highway project is scheduled for Washtenaw County. Two miles of US-23 from I-94 to US-12 will be widened at a cost of \$6,540,000. Bids on the project are scheduled to be let sometime in 1974.

On March 28, bids will be let on three projects in Washtenaw County at a total estimate of \$417,000.

The first project, on US-12 at Harris, will be to add a center left turn lane at an estimated cost of \$180,000.

Another is to resurface a section of US-12 from Johnson Road easterly to the county line. The three-mile long project is estimated to cost \$140,000.

The third project to be bid upon March 28 is also on US-12. A sidewalk and railing are to be added on the bridge over the Huron River at an estimated cost of \$97,000.

Two other projects scheduled for Washtenaw have no definite bidding date. One is set tentatively for sometime in April, 1974. This is an overpass under Housing

Road in Ypsilanti at an estimated cost of \$200,000.

The other is a 1.2 mile section of US-12 from I-94 northeasterly to M-17 that is to be repaired and then turned back to the local government. It is estimated to cost \$60,000. No date is scheduled for bids to be taken.

St. Patrick's to sponsor annual dinner

The annual roast beef dinner sponsored by St. Patrick's Church in Carleton will be held from 11 a.m. to 5 p.m. March 18 in the parish hall, located at the corner of Exeter and Labo Roads.

Tickets for the family style dinner are: adults, \$2.50; children under 12, \$1. Children under six will be admitted free.

There will be games, booths and prizes.

Rep. Mahalak's resolution criticizes Judge Ravitz

State Representative Edward E. Mahalak (D-Romulus) has introduced a resolution citing Detroit Recorder Judge Justin C. Ravitz for his refusal to pledge allegiance to the American flag when he was sworn into office.

The resolution offered by Mahalak, who is chairman of the House Committee on Military and Veterans' affairs, states: "The Michigan legislature views with disfavor the recent refusal of Judge Justin C. Ravitz to pledge allegiance to the American flag."

If approved by both the house and senate, the resolution would be sent to the Michigan Judicial Tenure Commission and the State Supreme Court.

"The veterans of our country have fought for the principles of justice, freedom

and democracy under our American flag in battlefields all over the world," Mahalak said. "The American flag is a part of our heritage and is symbolic of the sacrifice by our gallant men and women in uniform, most recently in southeast Asia."

"The American flag is proudly displayed on every public building and in every courthouse of our land, emblematic of our respect and honor for our laws and institutions."

Any person who refuses to honor our American flag or pledge allegiance to it does great dishonor to all men and women who have fought and given their lives under this banner."

Mahalak said he has already received a great deal of support for his resolution.

Pancake supper 'success'

The recent pancake supper held at the Elwell Elementary School, 17601 Elwell Rd., Belleville, was a "big success," according to William Chizmar, school principal. More than 650 people attended.

The annual event was held under the sponsorship of the school's Parent-Teacher Organization (PTO) in the school's multi-purpose room.

PTO officials said the event could not have been the success it was without the support of:

Mrs. Silvia Weedon, chairman; Mrs. Bev Hansor, tickets; Mrs. Sue Traskos, kitchen; Mrs. Catherine Harrison, dining room; Mrs. Cathy St. Cyr, publicity; Girl Scout Troop 589 and the Elwell Girls Club.

Baseball registration will close

The Romulus Youth Baseball Association will be holding final registrations for next summer's baseball program from 10 a.m. to 5 p.m. March 17 in the Romulus City Hall Community Room. Youths aged 8 to 18 are eligible to participate in the program.

TO QUALIFY, a youngster must reach his eighth birthday prior to Aug. 1.

The Women's Auxiliary of the Romulus Youth Baseball Association will be holding a meeting at 7 p.m. March 19 in the Romulus Public Library.

Area students are on CMU honor list

Two Belleville students were among the 870 who made the Central Michigan University honors list with straight A averages during the past term.

Making the list were Connie S. Foster, 7125 Edwards Rd., a senior, and Timothy R. Smith, 10644 Quirk Rd., a senior.

Ron Sayre is spelling champion

The winner of the annual spelling bee held at the Quirk Road Elementary School, Belleville, is Ronald Sayre, fifth grade student. He is the son of Mr. and Mrs. James Sayre, 6585 Morton-Taylor Rd.

The runner-up in the 1973 spelling bee also was a fifth grade student, Brenda Bailey, daughter of Mr. and Mrs. Philip Bailey, 7170 Edwards Rd., Belleville. The winning word was "brackets."

Spelling for the fifth grade were Ronald Sayre, Timothy Manning, Tina Grishaber, Belinda Warren, Nicky Martin, Annette Harrison, Marie Monforton, Annette Kos, Shelley Harris, Brenda Bailey and David VanEck.

Sixth grade students participating in the championship spelling bee were Robert Hayes, Peggy Calhoun, Cindy Cyriax, Randy Buchanan, Douglas Perry, Vickie Williams, Tim Woody, Joseph Monforton, Robert Hollenbeck, Marianne Adams and Lynne Collier.

There's an NBD office near you that's open from 8:30 in the morning until 7:30 at night Monday through Friday.

NBD has just made the convenience of banking from your car even more convenient.

Now there are 35 NBD Drive-In Offices open from 8:30 A.M. until 7:30 P.M. Monday through Friday. That's eleven hours every day, five days a week, at a location near you. And you can use that location whether you're a customer of that particular office or not. If you're an NBD

customer, you can do your banking at any NBD office.

What's more, while you can't do all of your banking from your car, you can cash checks, make withdrawals, deposits, payments—all of your routine banking transactions can now be handled at any NBD Drive-In Office.

And at the locations listed at the right, you

can do these transactions during the day, on your way home in the evening, or first thing in the morning.

Extended hours... extended services—they're two more ways NBD is making banking better for you.

And later on, we'll tell you about 24-Hour Banking at NBD.

Extended Hours... Making banking better for you.

There's an NBD Drive-In Office near you open from 8:30 am to 7:30 pm Monday through Friday.

Of sports world

Review features cars

The classic beauties of the sports car world are to be featured in the 21st annual Sports Cars in Review at the Henry Ford Museum in Dearborn through March 25. Titled, "Sporting Cars of the Classic Era," the show features 65 vehicles from seven countries dating from 1896 through the present and even into the future.

The largest sports car show of its kind in the country, Sports Cars in Review traces the developments in design and engineering in this specialized automotive field.

A MINI SHOW in review called "Pull Instead of Push" features 13 front-wheel drive sports cars from 1925 to 1973. Another section traces the evolution of classic design comparing a 1973 Squire SS 100 which is based on the 1937 Jaguar SS 100 and the Excalibur SS, based on the famous Mercedes SK of the twenties.

Comedy

to open

Friday

The Studio Company of Oakland University's Academy of Dramatic Art offers a real look at life in the classic fantasy, "The Insect Comedy" by Josef and Karel Capek opening Friday in the Studio Theatre, Varner Hall, on the University campus, Rochester.

Tickets are available at the Studio Theatre box office, 377-3015.

Performances are set for March 9 through 12, March 15 through 18 and March 22 through 25.

A highlight of the show is an 1896 Duryea. This was America's first production car, and only 13 of them were built. The one in this show is from the museum's collection and is the only one known to still exist.

DURYEAS WON many early races such as the Chicago Times-Herald Race, the Cosmopolitan Magazine New York City on Hudson Race on Decoration Day, 1896 and the London to Brighton "Emancipation Day" race in 1896.

Other sports cars are in-

cluded from the United States, Great Britain, Germany, France, Italy, Sweden and Japan. Power plants range from a 1-cylinder unit to 16-cylinder reciprocating engines, many with overhead camshafts, to the newer concept of the Wankel rotary engine. Many cars have impressive racing and competition histories.

TWO SPORTS car lectures and a fashion show will be part of Sports Cars in Review this year.

On March 16, Karl Ludvigsen, automotive designer,

historian and author will discuss "Mercedes-Benz Sports Cars." The fashion show, titled "Sports Wear for Sports Cars" will be presented on March 23. Films of the first Indianapolis 500 race and the 1972 Indy will be shown in the museum theater each weekend.

MUSEUM HOURS will be extended on weekends for the show. On Fridays, Saturdays and Sundays the museum will remain open until 10 p.m. Monday through Thursday, the museum will open during its regular hours of 9 a.m. to 5 p.m.

Players

continue

'Gazebo'

The Belleville Community Players are presenting "The Gazebo," at 8:30 p.m. Friday and Saturday in the Belleville High School Auditorium. Tickets at \$1.50 may be purchased at the door.

In week-long showcase

Dance company puts on 'events'

Plans for a Detroit-based Repertory Dance Theatre project, funded by New Detroit, Inc. and the National Endowment for the Arts, will get underway Saturday, with a week long "Showcase of Dance Events" put on by the Rod Rodgers Dance Co., of New York

The Rodgers group, engaged as extended-resident-dance-company for the year, will put on mini-concerts, lecture demonstrations, conduct master repertory classes, and will hold sessions

with Detroit youngsters in elementary, junior and senior high schools and at four Parks and Recreation Centers during the week.

TWO CHAMBER CONCERTS, featuring the Rodgers dancers, will culminate the week's events on March 17, at the Community Arts Building, Wayne State University. A performance designed especially for students will be held at 4 p.m. and a concert for adults at 8 p.m. Tickets may be obtained by calling 224-1198.

Eleanor Catron, project executive director, said the showcase is the first of four workshop appearances by the Rodgers Co., this year. Ongoing presentations will involve more classes and concerts for the purpose of building up a permanent Detroit Repertory Dance Theatre.

"There are a number of good dance groups in Detroit, attempting to create a sound base for professional performance," she said. "Unfortunately many of our

outstanding dancers and choreographers have found it necessary to leave Detroit to find recognition and opportunity for professional development."

RODGERS, THE COMPANY'S founder-director and a native of Detroit, has received wide acclaim for his innovative modern choreography and dancing. His company received grants from the New York State Council of the Arts for similar work in that state. Rodgers was the recipient of the 1965-66 John Jay Whitney Fellowship.

Exhibit open

in Livonia

An exhibit by Michigan artists and craftsmen will be on view through March 18 at Livonia Mall on Seven Mile Rd. and Middlebelt.

More than 1000 paintings will be displayed throughout the enclosed mall.

ARTISTS AND craftsmen will demonstrate their skills in a large variety of materials and mediums.

"It is our hope," Rodgers said, "to increase awareness of and interest in contemporary dance and at the

Art features 25

women painters

Twenty-five women painters and sculptors, active between the 16th century and the present, are featured in a renaissance at the Detroit Institute of Arts.

About 49 of their works are grouped in a special exhibition which continues through March 25. Susan Rossen and Nancy Rivard of the museum staff assembled the show in conjunction with a current survey course, "Women in the Visual Arts," being offered by University Center for Adult Education and the Art Institute. Their choices were made from paintings, graphics and sculpture not on permanent exhibition.

Earliest works in the gallery is an engraving by Diana Sculptore and a painting by Sofonisba Anguissola, both Italians born about 1535.

Representing the 18th century are Elisabeth Vigee-Lebrun, Angelica Kauffman and Rosalba Carriera. Vigee-Lebrun's portrait of Marie Antoinette is one of many likenesses of the French royal family that she painted. In 1783 the queen compelled the Royal Academy to admit her favorite painter to membership although the elite group was made up of male artists.

OTHER PAINTERS and graphic artists in the show are Anna Claypool Peale, a member of one of America's first families of prolific painters; Marie Rosa Bonheur; Berthe Morisot; only American to exhibit with the French Impressionists;

Students

to see

puppets

The second of three programs by the Detroit Institute of Arts will be presented tomorrow at the Haggerty Road Elementary School under the sponsorship of the school's Parent-Teacher Organization (PTO).

A puppet show is set for tomorrow. Tom Glazer, an educational folk-singer, will perform for the third program May 15.

THE FIRST of three programs recently presented was a pantomime called "Yours, Mine and Ours."

It was presented by a husband and wife team — Jack and Graciela Hill, who are former students of Marcel Marceau.

The program was designed to stimulate imagination and renew concepts of physical fitness and the use of the body in creative impression.

THE HAGGERTY PTO's sponsorship of the three programs partially is financed through the Michigan Council for the Arts.

A PANTOMIME DANCE—A Detroit Institute of Art's program called "Yours, Mine and Ours," a pantomime, was recently presented to students at Haggerty Road Elementary School in Belleville under the sponsorship of the school's PTO. Jack and Graciela, husband and wife dance team, performed in the pantomime program.

SURPRISE BELOW — Nanu (Jan-Michael Vincent) and coach Milo Jackson (Tim Conway) display mixed emotions as they look into a tiger pit in this scene from "The World's Greatest Athlete," a Walt Disney Productions comedy about a jungle boy who becomes a super sports champ. The film is showing at the State-Wayne Theatre in Wayne.

Outdoororama visitors

can make electricity

Visitors attending Outdoororama at the Detroit Artillery Armory on W. Eight Mile Rd. will be given the

Mansion

tours

conducted

Looking for something to do on Sunday afternoons? Why not visit one of America's great homes?

Being preserved for the public is Meadow Brook Hall, a 100-room Tudor mansion, located on the campus of Oakland University in Rochester. Famed for its wood carvings and fine carved stonework, the former home of Matilda Dodge Wilson is filled with fine furniture and art objects.

opportunity to make their own electricity at an energy exhibit sponsored by the Detroit Edison Co. and Associated Petroleum Industries of Michigan.

The exhibit features an electric generator attached to a bicycle which, with diligent pedaling, will produce 100 watts of power. Most persons engaged in the do-it-yourself answer to the energy crisis will find it difficult to produce 100 watts for more than a few minutes.

THE SAME AMOUNT of electricity generated in a Detroit Edison plant costs about three cents for 10 hours use; a man pedaling 10 hours while earning \$2 an hour would have to sell the electricity for \$20 just to break even.

The exhibit also will include displays illustrating Detroit Edison's commitment to environmental protection and

enhancement at generating sites.

Outdoororama, an exposition of equipment and services used for outdoor recreation, runs through Sunday. It is sponsored by Michigan United Conservation Clubs, an affiliation of 335 clubs with a membership of 130,000.

Museum curator lectures

on Baltimore collection

William Voss Elder III, curator of decorative arts at the Baltimore Museum of Art, will be the fifth speaker in the current series of Henry Ford Museum Antiques Lectures this month. Elder will present an illustrated lecture titled, "The Baltimore Museum Collections," at 8:30 p.m. Friday in the museum theater.

Under the theme, "Americana: Top Collections, New Directions," the series has been examining outstanding American public collections of decorative arts. The lectures are designed to evaluate the growth of these "key" collections over the past decade and to look ahead to the plans for the next ten years.

SO FAR THE people most knowledgeable about each collection have discussed those of the Henry Francis duPont Winterthur Museum, the Museum of Early Southern Decorative Arts and the National Trust for Historic Preservation. In January, the curatorial staff of the Henry Ford Museum discussed the collections there.

In discussing the Baltimore Collections, Elder will emphasize the group of rooms from Baltimore houses which have been incorporated into the museum building.

A graduate of Princeton University, Elder is a candidate for a master's degree in the history of art from the University of Pennsylvania,

where he was formerly an instructor in that subject.

BEFORE TAKING his present position in Baltimore, Elder was first registrar and then curator at the White House during the Kennedy Administration.

Elder is a member of the Maryland Historical Society, the Society of Architectural Historians, the Baltimore Municipal Art Society and the Fine Arts Committee of the Department of State. He has served on the Board of Directors of Baltimore Heritage, Inc. and the Society for the Preservation of Maryland Antiquities.

The Museum's Decorative Arts Galleries will remain open the night of the lecture so that those attending the lecture may tour.

"Get a horse" was a cry heard too often by the motorist in the early part of the 20th century. Automobiles were frail and roads were better suited for a horse and buggy. The plight of one such motorist who has mired his 1909 Buick in the sand is reproduced in "No Hill too Steep" at the Detroit Historical Museum.

Included in the exhibit are: a Durant-Dort Buggy late 19th century; 1896 King car, first car on Detroit streets; 1902 Oldsmobile, first mass produced American car; 1909-1910 Buick touring car; 1915 Scripps Booth; 1919 Dodge Brothers; 1918 Maxwell; 1924 Rickenbacker; 1922 Model "T" fire truck; 1942 Packard convertible coupe; 1924 Cadillac; and a 1954 Darrin-Fiberglass sports car.

CARROLL RICHTER'S horoscope

Tomorrow's forecast from the Carroll Richter Institute

GENERAL TENDENCIES: A wonderful, unusual day for you to get the backing of those who are in a position to know what can best further your interests. Contact any outlets which can aid you in your advancement, then be with as many persons as possible to gain their goodwill and help. Try to get those in the know to release to you some special knowledge you need.

ARIES (Mar. 21 to Apr. 19) Get together with good friend who can open new doors of opportunity for you. Secure backing for your new plans. Join some group meeting that is most worthwhile.

TAURUS (Apr. 20 to May 20) Make a beeline for those important persons you know and gain needed advice and support from them. Buy those mechanical gadgets that will make your work easier and better. Being more cooperative with bigwigs is wise.

GEMINI (May 21 to June 21) Get out to places and be with people who can assist you in putting your most important plans in motion successfully. You find you get ahead fast if you are broad-minded. Take it easy in the evening and rest.

MOON CHILDREN (June 22 to July 21) With all the responsibilities you have, this is a good day to get the support of bigwigs. Sit down with a good adviser and secure the right ideas. Make this a particularly productive day and p.m.

LEO (July 22 to Aug. 21) You understand much better how to cooperate more intelligently with associates and get the right results. Find right way to get rid of opposition from an unfriendly source. Think.

VIRGO (Aug. 22 to Sept. 22) Now that you can really understand your associates, come out with the right ideas for mutual advancement. Plan time for shopping for whatever will make you look more charming. Avoid one whose taste is not good.

LIBRA (Sept. 23 to Oct. 22) If you step out to places where good friends meet, you can get rid of that slough of despondency you find yourself in. You have good ideas, so discuss them and gain support for them as well as advice, data you need. Do some work tonight.

SCORPIO (Oct. 23 to Nov. 21) Apply some of your effort to home and make everything there immaculate and harmonious. Plan just how to start an uprend in your business or personal life and take the right steps in such directions.

SAGITTARIUS (Nov. 22 to Dec. 21) Good day to communicate with others and exchange favors, lend a helping hand where needed, and vice versa. State aims, learn about theirs. Shop, run errands, and handle travel matters.

CAPRICORN (Dec. 22 to Jan. 20) Put those ideas to work that will add to your income appreciably, since you have been thinking about them long enough. Sit down with clever business experts and get their advice. State your aims, problems clearly.

AQUARIUS (Jan. 21 to Feb. 19) You should be lighthearted today and can pursue your aims in a most efficient manner and get right results. Go out socially in p.m. and have further success. Make new vital friends of worth.

PISCES (Feb. 20 to Mar. 20) You feel high-powered and want to go after your aims in a most forceful way, but do not confide your plans to others and be more diplomatic. Learn from others how to get along better with your fellowman. Think.

IF YOUR CHILD IS BORN TODAY... he or she will be one of those charming young people who appears to be full of understanding and helpfulness toward others. However, the main aim here is to become popular and learn from others, which is fine provided you, as parents, screen the individuals your child cultivates while young. Then the big talents in this chart are brought out successfully. Give music lessons, also.

"The Stars impel, they do not compel." What you make of your life is largely up to YOU!

Carroll Richter's Individual Forecast for your sign for March is now ready. For your copy send your birthdate and \$1 to Carroll Richter Forecast (name of newspaper), Box 629, Hollywood, Calif. 90028.

WCCC to continue clerical training program

The Wayne County Community College (WCCC) Board of Trustees has approved the continuation for the fourth year of a clerical training program designed to upgrade and teach new skills to persons with special needs so that they can secure employment or move up on their present jobs.

Comprehensive Training in Clerical Skills) operates out of the Department of Secretarial Science headed by Mrs. Stella Fulham. Mrs. Alma Knight is director of the project.

BOARD OF TRUSTEE

School menu

VAN BUREN PUBLIC SCHOOLS

(Junior and senior high)

Monday — oven-fried chicken, potatoes, vegetable, bread and pudding, and milk.
Tuesday — macaroni and cheese, apple, orange jello, cup cake and milk.
Wednesday — roast pork, mashed potatoes, vegetable, bread and pudding, and milk.
Thursday — chicken chunks in gravy, potatoes, vegetable, bread and pudding, and milk.
Friday — chicken chunks in gravy, potatoes, vegetable, bread and pudding, and milk.

(Elementary Schools)

Monday — oven-fried chicken, potatoes, vegetable, bread and pudding, and milk.
Tuesday — macaroni and cheese, apple, orange jello, cup cake and milk.
Wednesday — baked spaghetti with meat sauce, vegetable, bread and pudding, and milk.
Thursday — chicken chunks in gravy, potatoes, vegetable, bread and pudding, and milk.
Friday — chicken chunks in gravy, potatoes, vegetable, bread and pudding, and milk.

LINCOLN CONSOLIDATED SCHOOLS

Monday — stew on biscuit, lettuce salad, orange juice, pudding and milk.
Tuesday — beans and hot dogs, apple salad, corn roll, cake and milk.
Wednesday — meat gravy, mashed potatoes, green beans, roll, jello with topping and milk.
Thursday — whipped potatoes with meat gravy, butter vegetable, peach cup, bread and butter and milk.
Friday — lasagne with meat and cheese, lima vegetable jello, fruit cup, bread and butter and milk.

ROMULUS COMMUNITY SCHOOLS

Monday — baked beans and sliced franks, cabbage salad, pineapple cup, bread and butter and milk.
Tuesday — tuna casserole, buttered peas, peach cup, bread and butter and milk.
Wednesday — sloppy joe and hot dogs, buttered corn, fruit cup, rolls and butter and milk.

Chairman John Ryan of Westland said, "This is exactly the type of program which shows what Wayne County Community College is all about. When people ask, 'What are you doing for the community?', we can point to this program which teaches specific skills to people to help them improve their lives."

There are presently 250 students enrolled in the TACTICS program.

TACTICS was first approved for funding in September, 1970 by the Michigan Department of Education, Division of Vocational Education and Career Development Services.

The board's action, taken at its recent monthly meeting, approves the submission of a proposal to the state for funding from Sept. 1, 1973 to June 24, 1974.

THE PURPOSE OF TACTICS is to offer disadvantaged persons the opportunity to develop salable clerical skills, positive attitudes toward responsibility, a high level of business ethics, and experiences, by means of assignment as work-study assistants and cooperative education training, in the world of work, said Mrs. Fulham.

The program proposes to raise the level of clerical skills of teacher aides, enabling them to function with a higher degree of confidence and competency in the school situation and to be prepared to move into better clerical positions as opportunities arise.

TACTICS ALSO provides an opportunity for mothers whose income is through public assistance or social security to gain the necessary skills to become self-supporting and thereby improve their socio-economic status.

"This program was designed specifically for persons with low incomes who are unemployed because they

lack certain basic skills," said Mrs. Fulham.

"This project enables participants to gain basic salable secretarial skills which form a foundation for

employment and later, promotion, in such clerical fields as general clerks, file clerks, teacher aides, receptionists, clerk-typists, stenographers, secretaries,

executive secretaries and administrative assistants," Mrs. Knight said.

BY THE END of the 1972-73 school, approximately 36

participants in the program will have completed requirements for the associate of arts degree. A total of 62 have completed requirements to earn a certificate.

JAMES LEVERETTE

JOHN J. WANIOLEK

Officers patrol

As part of the police-community program aimed at letting the residents know these police officers, the Enterprise-Roman is publishing a series of articles on the officers.

PATROLMAN JOHN J. Waniolek, 30, has been a member of the Wayne County Sheriff's Department for five years of which the last year was spent in patrolling Romulus.

John and his wife Mary Ann, the parents of a seven-month-old daughter, Rebecca, live in Westland.

He chose to be a police officer because he said he would be able to help people whether they are ill or are in trouble. It gives him a gratifying feeling of being there, when needed, he said.

He enjoys taking pictures and home movies and also is a great enthusiast of outdoor sports.

PATROLMAN JAMES Leverette, 30, has been with the sheriff's department for 22 months and spent the last four months on duty in Romulus.

Leverette and his wife, Lisa, are the parents of two children, Joseph, 3; and Lucius, one. The family lives in Ecorse. Leverette is a Vietnam veteran.

In commenting on his police work Leverette said: "Having the ability to communicate with citizens of Romulus and being understood as a human being as well as a police officer will form a relationship that will make this city safer."

Ash church service set in area

The Lutheran Church of the Apostles and the United Presbyterian Church, both in Belleville, will hold combined Ash Wednesday services at 7:30 tonight at the United Presbyterian Church, 11900 Belleville Rd., Belleville.

Presiding at the services will be the Rev. Harold E. Koch, pastor of the Lutheran Church of the Apostles and the Rev. Wilson F. Wood, pastor of the United Presbyterian Church.

for tax break

Area senior citizens should apply for the Michigan senior citizens homestead tax exemption, according to Belleville Mayor Royce E. Smith.

Applications for tax exemption under the act are available at the city hall, 6 Main St., Belleville.

In 1972, 60 Belleville senior citizens and 15 veterans applied for homestead tax exemptions, Smith said.

Moose notes

There will be a joint officers meeting tonight at the Belleville lodge.

Anyone interested in the spaghetti supper and hay ride in Oxford, Saturday night should contact Emmett Mills before 5 p.m. The bus will leave at 5:30 p.m.

Saturday, March 17 is the St. Patrick's dance at the lodge. It will be from 9:30 p.m. until 1:30 a.m.

Entertainment chairman Emmett Mills will have free hats and favors for the occasion. Dancing music will be provided by the "Shadows of Blue."

Nominations are open for the 1973-4 term for the officers for the Belleville lodge. The information regarding the nominations is on the bulletin board at the lodge.

CITY OF BELLEVILLE COUNCIL MINUTES

FEBRUARY 26, 1973

A Special meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan was called to order by Mayor Smith, with Councilmen Palmer, Hamlin, Boone, Amerman present. Also present, B. Ward Smith, City Attorney, Don Trim of Wade, Trim and Associates, Inc., City Engineers, Mr. Henry Graper, Urban Renewal Director, and various citizens from District A & B of the 1973 Paving Program. Also two students from Belleville High School Government Class, Bruce Clark and Ean Sylvester.

8:00 o'clock p.m. Public Hearing was held covering District A & B, of the 1973 Special Assessment Street Paving Program. The City Engineer explained the program and gave the Estimated Costs to the property owners. One letter of objections was received from District A and Two letters of Objection were received from District B.

RESOLUTION NO. 5

City of Belleville

County of Wayne, Michigan

The following preamble and resolution were offered by Councilman Amerman, and supported by Councilman Boone:

WHEREAS, the City Council has met after due and legal notice and reviewed the special assessment roll prepared for the purpose of defraying the cost of certain public improvements in Special Assessment District A.

AND WHEREAS, after hearing all persons interested therein and after carefully reviewing said special assessment roll, the City Council deems said special assessment roll to be fair, just and equitable and that each of the assessments contained thereon are in proportion to benefits received;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Said special assessment roll as prepared by the City Assessor in the amount of \$429,625.94 is hereby confirmed and shall be known as Special Assessment Roll A.

2. Said Special Assessment Roll shall be divided into Fifteen (15) equal annual installments, the first of which shall be due and payable on December 1, 1973, the second on August 1, 1974, and the subsequent installments shall be due on August 1st of each and every year thereafter.

3. Interest shall be charged on the unpaid balance of said special assessment roll at a rate not to exceed six per cent (6 per cent) per annum from June 1, 1973. Provided, however, after the issuance of bonds to be issued in anticipation of the collection of the unpaid assessments on Special Assessment Roll A, said rate of interest shall be adjusted to a rate which is not more than one (1 per cent) percentage point in excess of the average rate borne by said bonds, but not to exceed six per cent (6 per cent) per annum.

4. Said Special Assessment Roll No. A shall be placed on file in the office of the City Clerk and the Deputy City Clerk is hereby directed to endorse the date of confirmation on said roll and shall promptly transmit said assessment roll to the City Treasurer who is hereby directed to collect the installments on said roll in accordance with City of Belleville Special Assessment Ordinance.

5. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

AYES: COUNCILMEN PALMER, BOONE, HAMLIN, AMERMAN, SMITH

NAYS: NONE

RESOLUTION DECLARED ADOPTED.

RESOLUTION NO. 5

CITY OF BELLEVILLE

COUNTY OF WAYNE, MICHIGAN

The following preamble and resolution were offered by Councilman Palmer, and supported by Councilman Hamlin: WHEREAS, the City Council has met after due and legal notice and reviewed the special assessment roll prepared for the purpose of defraying the cost of certain public improvements in Special Assessment District B.

AND WHEREAS, after hearing all persons interested therein and after carefully reviewing said special assessment roll, the City Council deems said special assessment roll to be fair, just and equitable and that each of the assessments contained thereon are in proportion to benefits received;

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. Said special assessment roll as prepared by the City Assessor in the amount of \$462,893.22 is hereby confirmed and shall be known as Special Assessment Roll B.

2. Said Special Assessment Roll shall be divided into fifteen (15) equal annual installments, the first of which shall be due and payable on December 1, 1973, the second on August 1,

1974, and the subsequent installments shall be due on August 1st of each and every year thereafter.

3. Interest shall be charged on the unpaid balance of said special assessment roll at a rate not to exceed six per cent (6 per cent) per annum from June 1, 1973. Provided, however, after the issuance of bonds to be issued in anticipation of the collection of the unpaid assessments on Special Assessment Roll B, said rate of interest shall be adjusted to a rate which is not more than one (1 per cent) percentage point in excess of the average rate borne by said bonds, but not to exceed six per cent (6 per cent) per annum.

4. Said Special Assessment Roll No. B shall be placed on file in the office of the City Clerk and the Deputy City Clerk is hereby directed to endorse the date of confirmation on said roll and shall promptly transmit said assessment roll to the City Treasurer who is hereby directed to collect the installments on said roll in accordance with City of Belleville Special Assessment Ordinance.

5. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

AYES: COUNCILMEN PALMER, HAMLIN, BOONE, AMERMAN, SMITH

NAYS: NONE

RESOLUTION DECLARED ADOPTED.

9:00 o'clock p.m. Public Hearing was held covering District C, D, and S-1 of the 1973 Special Assessment Street Paving and Sewer Assessment Program. The City Engineer explained the program and gave the Estimated Costs to the property owners. Two letters of objection were received from District C, Two letters of objection were received from District D, and no objections from S-1.

RESOLUTION 5

CITY OF BELLEVILLE

COUNTY OF WAYNE, MICHIGAN

The following preamble and resolution were offered by Councilman Hamlin, and supported by Councilman Boone:

WHEREAS, the City Council has met after due and legal notice and reviewed the special assessment roll prepared for the purpose of defraying the cost of certain improvements in Special Assessment District C.

AND WHEREAS, after hearing all persons interested therein and after carefully reviewing said special assessment roll, the City Council deems said special assessment roll to be fair, just and equitable and that each of the assessments contained thereon are in proportion to benefits received;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Said special assessment roll as prepared by the City Assessor in the amount of \$130,694.76, is hereby confirmed and shall be known as Special Assessment Roll C.

2. Said Special Assessment Roll shall be divided into Fifteen (15) equal annual installments, the first of which shall be due and payable on December 1, 1973, the second on August 1, 1974 and the subsequent installments shall be due on August 1st of each and every year thereafter.

3. Interest shall be charged on the unpaid balance of said special assessment roll at a rate not to exceed six per cent (6 per cent) per annum from June 1, 1973. Provided, however, after the issuance of bonds to be issued in anticipation of the collection of the unpaid assessments on Special Assessment Roll C, said rate of interest shall be adjusted to a rate which is not more than one (1 per cent) percentage point in excess of the average rate borne by said bonds, but not to exceed six per cent (6 per cent) per annum.

4. Said Special Assessment Roll No. C shall be placed on file in the office of the City Clerk and the Deputy City Clerk is hereby directed to endorse the date of confirmation on said roll and shall promptly transmit said assessment roll to the City Treasurer who is hereby directed to collect the installments on said roll in accordance with City of Belleville Special Assessment Ordinance.

5. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

Scouts hold banquet to present awards

Cory School Cub Pack 735 was among those holding recent blue and gold banquets. The February event was held at the Cory School in Romulus, with a number of honored guests sharing the occasion. The guest list included Mr. and Mrs. Fred Kapinow he is holder of the silver beaver award; Mr. and Mrs. Joe Cusmano, (he is leader-instructor of adults in scouting); Mr. and Mrs. Tony Hoffman (Mrs. Hoffman holds a silver swan in scouting);

The Rev. and Mrs. Motts of the Romulus Church of Christ. Rev. Mott gave the invocation before dinner was served. THE PACK WAS entertained by the Order of the Arrow Boy Scout Dancers from the Huron District prior to the awards presentation. Den awards were given as follows: Den 1 - Richard Burgess, gold arrow; Robert Westlin, wolf award; Jimmy West, wolf award and gold arrow. Den 2 - Jaius Banks, wolf award, gold and silver

arrows; Bill Bray, assistant denner, bear book and bobcat badge; Joe Wiater, Bear award, gold and silver arrows; Kevin Whittenberg, denner, bobcat badge; Rick Whitefoot, wolf book, bobcat badge; Dave Cooke, bobcat badge. DEN 3 - Allen Daniel, denner; Brian Sullivan, assistant denner; Kenneth Elliott, bobcat badge; David Glazier, bear award, gold arrow; Joe Masdish, wolf

book, bobcat badge. Den 4 - Dan Di, bear book; Kenny Roberts, silver arrow; Gary Treder, denner; Den 5 - John Zaleski, denner, wolf badge, gold arrow and three silver arrows; Scott Forella, assistant denner, wolf badge, gold arrow; Norman Sutton, bobcat badge, bear book; Jeff Muncey, silver arrow.

THE FOLLOWING Webelos awards were presented: Timmy Jerome, athlete badge; Danny Finch, engineering badge, outdoorsman award; Mike Baum, bear award and two-year pin; Matt Whitefoot, bobcat. New Webelos welcomed were Jeff Cole, Steven Medina and Joey Wiater, and new members of Cub Pack 735 welcomed were Rick and Matt Whitefoot and Joe Masdish.

Area scout news

Scout Pack 808 holds its banquet

Scout Pack 808 of Mt. Pleasant School, Romulus, held its annual blue and gold banquet Feb. 23 at the school, with David Bryan serving as master of ceremonies. Guests of honor were Harold Connon, principal of the school, and Mrs. Connon.

IN ADDITION to the ceremonies, a film, "The Competitive Edge," was shown, and awards were presented by Richard Bergmooser. Receiving one-year pins were Brian Schulze, Keith Bryan and Alan Bergmooser, while two-year pins went to Ronald Kampson, Wayne Laginess, Kenny Snyder, Randy Champagne, John Thompkins, Dwayne Green, Ken Bird, Paul Witherow and

Jeff Wensko. AWARDS ALSO went to the Webelos. Alan Bergmooser, denner award; Ronald Kampson, assistant denner, artist, engineer and showman awards; Wayne Laginess, artist and showman awards; Ken Snyder, artist and showman; John Thompkins, showman; David Spitz and Dwayne Green, artist awards. Service stars for adults went to Richard Bergmooser, a seven-year pin; Melvin Zilka, three-year pin; Deloris Zilka, three-year pin. She is the new den leader coach.

Frost performs for area scouts

The annual Blue and Gold Banquet of Cub Scout Pack 1071 recently held in the Fellowship Hall of the First United Methodist Church in Belleville (pack sponsor) featured presentation of awards and a juggling and tap dance routine by Jack Frost of Belleville. Guests present for the potluck supper were Rev. Charles Dibley, pastor, Mr. and Mrs. Jack Frost, Mr. and Mrs. Arthur Shephard and their son, Brian. Shephard, retiring as institutional representative

after many years on the pack charter, was presented with a scout pocket knife and Mrs. Shephard received a blue and gold corsage. CUB SCOUTS receiving awards were: Mark Mercer, wolf badge, one gold arrow and two silver arrows. Webelos awards were: engineering badges for Jerry Reed, Leslie Ferguson and Jeff Kohr. Two-year pins were presented to Bill Laginess, Merry Laginess, Jesse Thompkins and Mary Thompkins.

St. Anthony scouts install new cubmaster

The annual blue and gold banquet of Cub Scout Pack 793 sponsored by St. Anthony's Catholic Church in Belleville recently had as its theme — "Famous Americans." All the tables were decorated in tune with the theme by pack members. Dan Brehmer was installed as the new cubmaster and he presented the following awards:

TIM CYMES, DOUGLAS Traskos, Ray Reetz and Paul Innes received wolf badges and gold arrows. An additional silver arrow under the wolf badge went to Paul Innes.

Pack 830 entertains guests

Pack 830 entertained a number of guests at the annual blue and gold banquet, held Feb. 20 at Hayti School, and the menu for the potluck affair was highlighted by the special spaghetti sauce concocted by Michael Losacco Sr.

Guests of the pack were Hayti Principal and Mrs. Michael Fodor; Scoutmaster and Mrs. Denver Proffitt; District Commissioner and Mrs. Fred Krupnaw, and Mrs. Nan Myers, representing the Hayti PTA. Also guests were the Order of the Arrow Dancers.

THE PROGRAM included a talk by Principal Fodor, and the introduction of new committee members — Mr. and Mrs. James Mayer and James Rice — and a reading by Commissioner Krupnaw.

Also present for the program was Dick Bergmooser, advisor to the Order of the Arrow Dancers, which represent Troops 872-793. Dancers are Dennis Bergmooser, Larry Bergmooser, Randy McNally, Dave Clay, Donald Schaub and Paul Lauth. Their dances were the snake-buffalo, fluff and turkey.

AWARDS PRESENTED and those receiving them were: bobcat: Samuel West, Michael Emmons; bear: Charles West Jr., Troy VanDuzer, Willie Thomas; denner cord: Tony Lewis; assistant denner cord: Bobby Buggy; wolf: John Sharrow, Jeff Kosmalski, Stephen Bozelak, James Rice;

Gold arrow: Jeff Kosmalski, John Sharrow, Charles West Jr., James Rice, Stephen Bozelak, Troy VanDuzer, Willie Thomas; silver arrow: John Sharrow, Jeff Kosmalski, Willie Thomas, Mark Harrison.

Receiving webelos awards were: Robert Park, citizen, outdoorsman; John Gray, artist, geologist, traveler; Stephen Coste, athlete; Jeff Suessine, athlete; Greg Losacco, aquanaut, naturalist and scientist. Tony Lewis was honored for one year's perfect attendance.

Den leaders meet Saturday

Den leaders from all packs in the district will meet Saturday at Romulus Senior High School for a den leaders' workshop.

The purpose of the workshop is to get theme craft ideas for the coming seven months. Games, skits and actual patterns will be given out and those attending are asked to bring along ideas, materials for projects and a lunch.

The session will last from 8:15 a.m. to 4 p.m.

Tom Lindeman received a wolf badge and Dennis Stamper, a recruiter stripe for bringing in a new cub scout. Brian Reetz got a bear badge, gold and silver arrows and a denner cord. Chris Larcinese also got a silver arrow under a bear badge. John Kuchta received his cord for the position of assistant denner.

IN THE WEBELO'S den the following awards were given: David Stamper, a delayed geologist badge, scientist and forester badges. Dennis Lorbek, forester and naturalist badges; Leo Lentz, citizen, scientist and traveler badges; Steven Kuchta, scholar, outdoorsman, naturalist, athlete, craftsman, artist and traveler badges; Don Swinson, geologist badge; Jeff Collins, engineer badge, and John Moriarty, engineer badge.

Kevin Losen joined the pack as a new bobcat and will work toward his bear rank.

FLOWERS WERE presented to the den mothers in appreciation of their efforts throughout the year. All the committee was honored and presented with their year pins with Ray Memmering coming out as the veteran of the pack. Plans were announced for a family roller skating party to be held on April 10.

The honored guests who attended the event were Joseph Kerridge, the new district executive from Detroit Area Council; Father Raymond Skoney, pastor of St. Anthony's Church; Gaylord "Dutch" Bauer family, Lloyd Freeman, R.J. O'Neil and the Robert Monforton family.

DAVID STAMPER, now a member of the scout troop, was given special recognition for earning all the available Webelos awards including the Webelos arrow of light. A small duplicate of this pin was presented to his mother.

Bank makes plans for financial ed program

Security Bank and Trust has initiated a financial education program for high schools in the communities it serves.

The program of basic financial education is designed to help students become better managers of

their personal finances.

The program was developed to assist educators in informing high school seniors

about the importance of sound money management, said Lowell L. Peacock, president. The lowering of the legal age to 18 has increased the need for high school seniors to receive as much financial education as possible to prepare them for their future in the community, he said.

The program has been developed with two different types of presentations. A two-hour presentation has been developed to expose as many students as possible to the

basics of credit and money management, and a longer five-hour program has been developed for those classes that want a more in-depth background.

BOTH PRESENTATIONS involve the use of a movie entitled "The Money Tree" and the longer program utilizes a student workbook

entitled the "Family Financial Education Program."

Both the movie and the student workbook provide useful information for students on the importance of sound money management and the principles to follow in establishing a sound financial future.

A second financial education program for adults has been initiated in the Romulus school system's adult education program. Piotrowski and Meissner have been involved in the introduction of Security's program in the night classes and plans call for further development of a financial education program for adults.

IRS extends 'help' hours for taxpayers

Taxpayers who find it difficult to get to the Internal Revenue Service (IRS) during working hours will be able to obtain help from the IRS Monday and Friday evenings.

Internal Revenue Service personnel will be available to offer assistance from 8 a.m. to 7:30 p.m. on Mondays and Fridays, and from 9 a.m. to 1 p.m. on Saturdays. This is in addition to the normal taxpayer assistance hours of 8 a.m. to 4 p.m.

For information, call 266-7602.

THE PROGRAM IS designed for community involvement rather than for profit, and it does not promote Security Bank and Trust, but the principles of credit and sound money management, he added.

The educational program initially was developed on a test basis with a two-hour presentation given in several high schools by Emil Meissner and Ken Piotrowski, both branch managers.

Initial reaction has been

Polish alliance plans to scholarships

Lodge No. 2984 of the Polish National Alliance has taken steps to initiate its 1973 scholarship awards.

The officers of the lodge attended a dinner dance in Ann Arbor sponsored by the faculty and students of the University of Michigan.

The dinner was a kick off from the 500th anniversary of

Mikolaj Kopernik, with the intent that a chair of Polish languages be established at the University of Michigan.

The Ann Arbor Polish Alliance Congress hopes to raise a half million dollars for the establishment of this chair. In attendance at the dinner were approximately 400 people, primarily, the

faculty, their wives and students of the university.

ALSO PRESENT were

Church sponsors dinner

The Willow United Methodist Church, located on Willow Road in New Boston will sponsor a family style chicken dinner from 5 p.m., March 14.

The chicken dinner will be served in the basement of the church.

WALTER ZALESKI, President of the lodge, said that this year's awards would be known as the Mikolaj Kopernik awards, in honor of the Polish astronomer who in the 14th century determined the proper relationship of the earth to our solar system.

His theories were the basis from which future astronomers and scientists evolved our present advances in the study of our solar system and interplanetary travels.

Information on the scholarship awards has been forwarded to high schools and churches.

Scholarship applications may be obtained from the scholarship committee by calling the following individuals: Ernest Ryback - OX 7-8981 or 283-0060; Phyllis Bies - 697-0677; Sylvester Blaszk - HO 1-6426; Joseph Wojtowicz - 483-0478; Frank Wyszniowski - WH 1-1547.

All applications must be submitted to the Scholarship Committee on or before April

Products publication available

The Romulus Public Library has copies of "Government Product News" available for circulation.

The publication reports manufacturer's news on a variety of new products.

Included in the productions discussed in the magazine are an automobile exhaust analyzer, a compact life preserver and an emergency light which turns on automatically during a power failure.

Information on other periodicals available at the library can be obtained by calling the library at 941-0775.

Hayti PTA to elect officers

An educational program on drugs for the benefit of parents, is on the agenda for the March meeting of the Hayti Parent-Teacher Association, and there also will be an election of officers.

The February meeting marked founders day for the PTA organization, with plans for the event under the direction of Mrs. Nan Myers, chairman, with Mrs. Eva McDonald as co-chairman. Special guests were members of the Romulus school board and past PTA presidents.

Entertainment was provided by a 27-member school chorus under the direction of Miss Judy Thompson, and the door prizes donated by Mrs. Alice Summers and Hat Principal Michael Fodor.

Students get high grades

Two area students were among 172 maintaining 3.5 grade point averages of a possible four points at Henry Ford Community College.

Mark W. Wood of Belleville and Cynthia D. Melcher of Romulus were among the students who maintained the averages.

Red Cross needs blood

To insure a continual supply of safe, volunteer blood, Red Cross bloodmobiles will be located throughout the community. Schools, churches and fraternal organizations will play host to Michigan's only all volunteer blood collection agency.

The Red Cross program obtains blood donations from approximately three per cent of the eligible donors in the area. Unfortunately, these people cannot supply the entire need, said Bill Bucinski, West region, Red Cross Blood Program field representative.

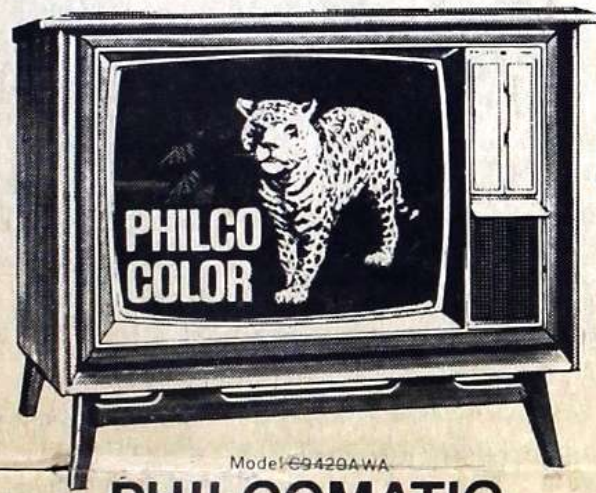

"OUR ROSTERS of regular donors will not supply the area's 100 hospitals with blood," he said. "The new donor must be made aware of the need for the relative ease of donating blood."

Individuals may make an appointment to donate blood at First United Methodist Church of Dearborn, 22124 Garrison, Dearborn, from 2 to 8 p.m. March 13.

For an appointment, call 274-5450.

About 95 per cent of Argentina's population is Roman Catholic.

Romulus, Belleville advance to semis

Eagles face Allen Park

Now, for Allen Park. That's what Romulus cagers and Coach Dave Court must have on their minds today after posting a 97-71 first round Class A district playoff victory over visiting Taylor Kennedy last night.

It was Allen Park who destroyed Romulus' regional championship hopes last year and blocked the Eagles' path into the quarter-finals.

"We waited a year for this one," said Court who will face the Jaguars tonight in the semi-final round at 7:30 p.m. "We have been thinking about them all year long, and I don't

think they will catch us napping this time."

The winner of tonight's semi-final round will advance into the championship game that will include the survivor of Tuesday's Taylor Center and Dearborn Heights' Annapolis game.

The title will be decided Friday night at 7:30 p.m.

Romulus, behind the scoring of Tony Owens and Johnny Long, who each had eight points in the first period, bolted to a 24-15 advantage and turned that margin into a 47-34 halftime edge.

The Eagles never trailed

and the outcome was never in doubt after the hosts built a 69-48 third period lead. Court then turned loose his bench on the Tri-River Conference runnersup.

Long led a balanced Romulus attack which featured five players in double figures. Long cashed in on seven field goals and made 10 free throws for a game high 24 points. Hall and Ron Bostick settled for 17 points while Owens collected 13 and Rick Hubbert chipped in 11 as the Eagles also sank 23 of 36 from the free throw line.

Bostick and Hall also helped the Eagles take control of the boards as Bostick hauled in 21 rebounds and Hall had 19.

Mike Lauerman and Gary Gorski shared scoring honors for Kennedy. Each had 14 points. The downriver team also canned 16 of 23 free throws.

The victory also was Court's 100th win over a span of seven years.

Romulus wrapped up the regular season with an 82-70 triumph over nonleague rival Troy Friday night. The slow-starting Eagles, who trailed 16-8 after the first period, outscored their rivals 27-40 in the second period and took a 35-30 lead into the lockerroom.

Romulus led by 10, 58-48, at the end of the third period.

Hall again topped the field with 25 points, one more than teammate Long. Bostick had 14 and Hubbert accounted for 12.

Romulus survived an upset-minded Dearborn Heights Robichaud quintet last Tuesday and hung on to win 73-69. Ahead 55-45 turning into the last frame, Romulus hit a rash of turnovers that helped Robichaud come within two points of tying the game.

With 37 seconds left on the clock, however, Owens sank both ends of a one-and-one to pull the Eagles out of danger. The flashy senior guard teamed with Bostick to provide his team with 14 of its 18 last period points.

Romulus had the lead throughout the entire battle as Hall dumped in six of his 16 points in the first eight minutes to pace the Eagles to a 17-13 advantage. Then, Long took over as he sank six points to help his team pull ahead 36-27 at the half.

(Continued on Page B-2)

THIS IS IT — It's no secret that Romulus cagers have been gunning for Allen Park since the Parkers destroyed the Eagles' chances of winning a regional championship last year. And Coach Dave Court's quintet will have another shot at the downriver power tonight when the two teams will face

one another in the semi-finals of the Class A district playoffs. The key Romulus figures in tonight's duel are Tony Owens (from left), John Long, James Hall, Ron Bostick, Horace Person and Ron Kersey. The winner of tonight's game will advance to the finals scheduled for 7:30 p.m. Friday.

Dearborn stops Tigers

Suburban 8 (FINAL STANDINGS)		
Team	W	L
Allen Park	13	1
Redford Union	11	3
Plymouth	9	5
Bentley	6	8
Edsel Ford	5	9
Dearborn	5	9
Belleville	4	10
Trenton	3	11

Belleville's basketball team closed out its Suburban Eight season on a downward note as it dropped a 55-50 decision to host Dearborn.

The defeat left the Tigers at the bottom of the league standings with a 3-11 record. A victory over Dearborn would have enabled Belleville to tie Trenton for seventh place.

Belleville's final regular season record was 4-15.

The Tigers were in the ball game all the way at Dearborn, but the Pioneers managed to hang on for their fifth win in 14 league games.

Dearborn held quarter leads of 9-6, 26-19, and 40-35.

THE TIGERS led on several occasions early in the game and they managed several ties in the later going, Belleville

Enterprise-Roman Sports

- A PANAX PUBLICATION -

Wednesday, March 7, 1973

Page B-1

was never behind by more than six points.

"We had several chances but we just weren't able to take advantage of them," said Belleville Coach Al Gates. "Both teams made quite a few mistakes and there were a lot of turnovers. But they shot better and their play was more consistent."

Center Al Cicotte led Belleville with 17 points. Forward Charlie Brown scored 15 and guard Mel Abraham added 10.

Forward Terry Pate hauled in 17 rebounds.

Dearborn guard Barry Copeland led all scorers with 19 points.

MEL ABRAHAM'S two field goals in overtime sealed a 67-64 victory over Trenton earlier in the week. Abraham had a chance to win it for the Tigers but settled on knotting the score when he stepped to the free throw line with eight seconds left in regulation time.

He sank the first of a one-and-one free throw opportunity. However, Abraham missed the second shot and the two teams wound up in a 60-all tie. Belleville outscored their visitors 7-4 in the three-minute extra period.

It was a close game all the way. Al Cicotte, who had an excellent night on the boards and in the field, sparked the Tigers to a 18-16 first period advantage, but Gates' quintet hit a cold spell in the second frame and fell behind 28-34 at the half.

Cicotte scored eight points in the third period to lead a comeback that left the Tigers one point shy of tying the game at the end of the third

period (48-47). Then, Belleville edged their visitors 13-12 in the final frame to force the issue into overtime.

Cicotte scored eight points in the third period to lead a comeback that left the Tigers one point shy of tying the game at the end of the third period (48-47). Then, Belleville edged their visitors 13-12 in the final frame to force the issue into overtime.

Cicotte, who poured in 22 points on 10 field goals and two free throws, led Belleville while he had ample support (Continued on Page B-2)

Spartans fall to Belleville

By JIM FREER
Sports Writer

Paced by the efforts of center Al Cicotte, Belleville turned in a 70-64 triumph over Cherry Hill in a first round game at the Belleville district basketball tournament Monday night.

Cicotte, a 6-6 senior, scored 24 points and pulled down 21 rebounds.

Belleville held a big 54-34 advantage on the boards and this factor helped the Tigers maintain a lead from the second quarter onward.

Cherry Hill held the lead during most of the first quarter, but Belleville came on to gain a 16-16 tie at the end of the period.

The Tigers scored a few easy baskets against the Spartans' 1-2-2 zone defense late in the first quarter and Cherry Hill switched to a man-to-man at the start of the second period.

But Belleville stayed hot and quickly gained a 28-20 edge behind the scoring of Cicotte and guard Mel Abraham.

The Tigers stayed in front during the rest of the quarter and they took a 35-28 lead into the lockerroom at halftime.

Cicotte tallied 16 points during the first half while forward Mark Eaton had 10 for Cherry Hill.

The Spartans stayed in their man-to-man and the Tigers switched to a 2-3 zone in the second half.

Belleville continued to hold its lead during the third quarter and Coach Al Gates' Tigers had padded their margin to 53-41 by the end of the stanza. (Continued on Page B-2)

Sports Meridian

March madness begins

By TOM MOORADIAN

Several years ago a cohort of ours coined the phrase, "March Madness".

And the phrase has stuck with the high school basketball scene to allude to that period which ushers in the district cage playoffs and climaxes with the state championships.

It is a time when coaches toss out records and they, along with players and fans, begin to dream the "impossible dream." For most, the dream of a state championship never materializes - but the excitement, the anxieties of competing, the victories and losses are never forgotten.

The memories of the season live on the rest of years.

However, some memories also recall tragedies. Knifings, brawls, vandalism all have occurred in past years after games.

Let's hope that fans remain just that - fans - during the next couple of weeks. One only has to recall the latest incident where a 15-year-old girl was knifed after a basketball game to realize that brutal acts have not disappeared from the prep sports scene.

It is a simple fact that if such acts continue to occur in the following week, school officials may have to come up with drastic measures to stop to eliminate them.

Outbursts of violence may alter prep athletics and in some cases could even eliminate them in this area.

It is no secret that basketball games in metropolitan Detroit are played in the afternoon. That could happen here. It is no secret that most of the violence and trouble are caused by persons who are not connected with the school system.

It is also no secret that most of these troublemakers are known to the school authorities, the police and the varsity clubs. If they would coordinate their efforts some of the incidents could be averted.

But it will be up to the fans, in the long run, to prevent confrontations. Sometimes it's braver to shy away from a degrading remark than to challenge the idiot that said it.

Victory is indeed sweet - but not at the price of personal injury.

Let's hope "March Madness" this year is a time when fans enjoy watching their team - win or lose - and it's not a time of remorse and regret and "bad" memories.

MAN IN MOTION — Belleville's Terry Pate streaks down court as the fast-break is on. The Tigers appear to have solved their problems as they ousted a highly-touted Cherry Hill team from the district playoffs Monday night. Coach Al Gates' ball club will need a victory over an equally impressive Wayne Memorial aggregation tonight in order to make its way into Saturday's championship game.

3 local prep wrestlers qualify for state finals

Robert Morrison and Bradley Smith of Romulus and Jose Garcia of Belleville have advanced to the Michigan State High School Athletic Association's class A wrestling tournament, which will be held at Calvin College this weekend.

The three local wrestlers gained their berths in the state meet on the basis of their showings in Saturday's regional tournament at Walled Lake Western.

Morrison finished first in the 170-pound weight class. Garcia was the regional champ in the 135-pound class while Smith placed second in the same weight class.

The top four wrestlers in each weight class advanced from the regional to the state tournament.

Four other Romulus wrestlers, Philip Ford, Bergil Smith, Marvin Williams, and Henry Reid, were eliminated at the regional competition.

Morrison won all three of his matches as he placed first among the eight wrestlers in the regional's 170-pound class.

The Romulus senior decided Gary Abel of Walled Lake Western, 12-0, Chuck Morris of Dearborn Heights Annapolis, 11-3, and Paul Drucker of Taylor Kennedy, 8-5.

Garcia captured the 135-pound championship with decisions over Mike Kalil of Redford Union, 9-2, Mark Mullen of Detroit Thurston, 11-0, and Bradley Smith, 8-2.

Brad Smith, who wound up second in the 135-pound class, gained the final against Garcia by pinning Duane Wozniak of Garden City West in 5:49 and winning a referee's decision in overtime over Jack Garner of Farmington.

Four other Romulus wrestlers failed to place and this held the Eagles to a seventh place finish in the tough field.

Ypsilanti won the regional

title with 45 points while Wayne Mmemorial placed second with 40.

Adrian was third with 36 points with Bedford-Temperance (32), Ann Arbor Huron (28), and Farmington (26) holding down the fourth through sixth places, respectively.

Romulus placed seventh with 22½ points.

Dearborn Heights Annapolis (19), Walled Lake Western (17½), and Walled Lake Central (17½) rounded out the first ten in the field which

drew wrestlers from 40 schools.

Romulus' Phil Ford lost both of his matches in the 112-pound class.

He dropped a 7-2 decision to Ann Arbor Huron's John Jones, the eventual champion, and then lost an 8-1 decision to Brad Homan of Ypsilanti.

Vergil Smith lost a tightly-contested 5-4 decision to Rick Staley of Dearborn Heights Staleywood in his only match in the 141-pound class.

Eagles face Allen Park

Huron '5' fizzes in finale

Tigers in semis

(Continued from Page B-1)

Long continued to hold the "hot hand" in the second half, getting eight more points while the Eagles outscored their hosts 19-18 in the third stanza. However, Robichaud's senior guard Roy Johnson poured in 14 points in the finale to lead the comeback that left the Bulldogs two shy of erasing the deficit. Johnson finished the night with 32 points, the game's high, while teammate Luke Ealey contributed 14 and Monte Dennard had 12 for the losers, who also canned 11 of 17 free throws.

3 qualify for state

(Continued from Page B-1)

Marvin Williams was pinned by Paul Mathews of Redford Union in 4:30 and by Mar Mark Reed of Milford in 2:02 in his two matches at 185 pounds.

Heavyweight Henry Reid was pinned by Joe Likulec of Milford in 50 seconds and by Jim Reeves of Ann Arbor Huron in 4:37.

"This was a disappointing meet because we had hoped to finish much higher," said Romulus Coach Jim Stallings, whose team has been rated among the top five in the state during most of the season. "Several of our guys lost to wrestlers they had beaten earlier in the season, but we weren't the only team which had things like that happen to us. Because of the tough competition there were a lot of quality wrestlers who were eliminated in the first round. "I'd have to say that the competition at the regional was the best I've ever seen in high school wrestling, and that includes state tournaments," continued the Eagle Coach. "This was by far the toughest of the four Class A regionals and almost all of the boys who survived it will be contenders in the state tournament."

The state tournament at Kalamazoo will be the second for Garcia and Smith and the first for Morrison.

Garcia, a Senior, wrestled at 126 pounds in last year's state meet but failed to place. He was outstanding throughout the 1972-73 season and he will probably be one of the top seeds at the state meet. "I felt all along that Jose was a top threat for a state championship and now he's at the stage where it's within his reach," said Belleville Coach Gerry Malecek. "He wrestled extremely well at the regional and he's at the top of his form."

Morrison and Smith also starred during the past season. Morrison set a school record for wins as he compiled a 40-2 record. Robert turned to varsity wrestling as a junior (he played basketball as a sophomore) and Stallings feels that he's "developed into a tremendous wrestler who uses a lot of finesse, as well as his strength."

His career record is 58-18-2. Smith, a junior, was eliminated during the first round at last year's state meet. A varsity competitor since his freshman year, Bradley has a season's record of 36-4-1 and a career mark of 92-16-8. He and Garcia have wrestled several times in the past with Jose triumphing in all of the matches. There will be 16 wrestlers, four from each of the four regionals, competing in each weight class at the state meet. Preliminary competition will be held at 1 p.m. and 7 p.m. on Friday. Further competition will be held at noon Saturday with finals slated for 7 p.m. Saturday.

Dearborn cuts

(Continued from Page B-1)

from Abraham, who sank 17, and Terry Pate, who collected 16 points along with 14 rebounds.

The Tigers also had one of their best nights this season at the free throw line where they cashed in on 13 of 19 offerings. Trenton capped 18 of 24 charities and received an outstanding performance from Steve Spalsbury who led all scorers with 29 points.

The Spartans went into a full-court press during the fourth quarter and they had whittled Belleville's lead down to 57-52 as the game entered its final five minutes. But a basket and a free throw by Abraham quickly upped the Tigers' margin to eight points and Cherry Hill was unable to come any closer than six during the remainder of the game.

Sophomore guards Abraham and Walt Easley provided the spark for the Tigers as they frequently beat the Spartans downcourt for open shots.

Abraham scored 16 points while Easley, who was playing his first varsity game since early in the season, contributed nine points. Forward Charlie Brown added 10 points for the Tigers. Terry Pate followed Cicotte in the rebounding department with 11.

Sophomore center Bob Fowler paced the Spartans' with 21 points and 14 rebounds. Guard Bob Dunsmore and forward Mark Eaton added 16 and 15 points, respectively, for Cherry Hill.

Belleville connected on 33 of 87 field goal attempts and four of eight free throw attempts. Cherry Hill was 25 for 70 from the floor and 14 for 20 at the line.

"We played well, but this didn't surprise me since we seemed to come around in winning two of our last three Suburban Eight games," said Gates. "We did well on the boards and used our speed to our advantage and I think we'll be able to keep it up. "Cicotte was superb," added the Belleville Coach. "He was hustling all night and he did a good job on defense. I'd also like to give a lot of credit to Abraham and Easley."

The tournament continued last night with John Glenn meeting Garden City East in another first round game. Play will continue at 7:30 tonight with Belleville playing

Wayne Memorial in a semi-final game.

Wayne Memorial will face the winner of the John Glenn - GC East game in another semi-final at 7:30 p.m. on Thursday.

Wayne and GC West drew first round byes.

The winner of Wednesday's game will meet the winner of Thursday's game in the championship contest at 2 p.m. Saturday.

The champion of the Belleville district will advance to next week's Belleville regional tournament along with the winners from the Romulus, Melvindale, and

Dearborn favored to win swim title

Dearborn, the defending Class A state swimming champ, is expected to again dominate the Suburban 8 Conference competition which gets underway today at Plymouth High School.

Coach Jack Johnson's Pioneers, who will also be defending their league title, will bring a perfect league (7-0) record into the league meet which starts with the diving preliminaries today.

On Thursday the 10 swimming events will be conducted along with the diving semi-finals while the finals for all events will be held on Friday at 7 p.m.

"I expect Dearborn to dominate this year's meet," said Belleville coach Sam Vicchy. "They just have too much power. Then Edsel Ford and maybe Allen Park. However, we should get some individuals up there."

Belleville wound up on the short end of a 54-41 decision with Allen Park last Thursday. The meet brought the curtains down on the league season dual meet season. The Tigers amassed a 2-5 league and a 6-8 nonleague record.

The Tigers mustered three first places as Scott Stone's 23.9 won the 50-yard freestyle. Dean Achorn churned out a 57.0 to take the 100-yard butterfly, while Belleville divers Richard Golden and Ray Leibler placed 1-2 in the event with 220.25 and 212.75 points, respectively.

Meet results: Allen Park 54, Belleville 41.

200-YARD MEDLEY RELAY (B)
1. Allen Park (Hensel, Paglia, Messer, Kachaturian) - 1:47.5; 2. Belleville (Golden, Walker, Achorn, Stone) - 1:49.3.

Eagles fall in mat poll

Romulus is tied for tenth place in this week's Michigan High School Wrestling Coaches' Association's Class A poll.

The Eagles, who were second in last week's poll, are tied for tenth with Bay City Handy in this week's listing.

The poll, which was conducted following last weekend's regional meets, is based on the potential strength of teams at this weekend's state tournament. It is the final poll of the season, since the actual champion will be determined by the outcome of the state meet.

Ypsilanti remained on top of the poll.

Grandville placed second with Detroit Catholic Central third.

Warren Lincoln, East Lansing, Adrian, Battle Creek Central, Bedford-Temperance, and Wayne Memorial occupy the fourth through ninth spots, respectively.

Westland John Glenn placed 20th in the poll.

Romulus fell from second to sixth in the Southeastern Michigan poll.

Ypsilanti remained No. 1 in the area poll.

Detroit Catholic Central, Warren Lincoln, Bedford-Temperance, and Wayne Memorial hold down the second through fifth spots, respectively.

Romulus holds down sixth place while Ann Arbor Huron, Farmington Harrison, Clawson, and Westland John Glenn round out the area Top Ten.

Township approves rezoning near I-94

The rezoning of a 2.12-acre land parcel, located on the South Service Drive of the I-94 Expressway, east of Belleville Road, has been approved by the Van Buren Township Board of Trustees.

In approving the rezoning of the land site, the township board concurred with the recommendation of the Van Buren Township Planning Commission.

The rezoning petition was filed by Ray Suliman of 13055 Lakeview Dr., Belleville. He requested the rezoning from the site's present classification of residential to multiple dwelling to conform with the zoning around his parcel which is multiple.

IN OTHER business the board approved a reference to the township water department of two bid proposals received by the township on the purchase of a new water department of truck. The proposals ranged from \$5,025 to \$6,728.

—approved the appointment of George Heifner, 41527 Edison Lake Rd., Belleville, as township civil defense director. Heifner is an instructor in first aid programs.

—approved the appointment of Manley Baldwin of 12044 Ryznar Dr., Belleville, to the Board of Review. He replaces William F. Jenkins of 46976 Denton Rd., Belleville.

Jenkins, who was recently appointed to the board of review, resigned because of a new job commitment.

—Authorized the purchase of six used voting machines.

The township's voting precincts have been revamped and increased from nine to 11 precincts. An appropriation in the amount of \$1,087 for each machine purchase has been approved.

Mt. Pleasant has spelling champion

There's a new champion at Mt. Pleasant Elementary School in the person of Joey Scamp, sixth grader. He is the new school spelling champion.

Joey ended up as winner of the fifth-sixth grade final elimination with the correct spelling of the word "accessible."

Sandra Johnson, also a sixth grader, was runner-up in the competition.

The winner will compete in the district spelling bee to be held March 28.

Other finalists in the Mt. Pleasant Spelling Bee were: Brian Burchart, Jimmy Kellas, Sandy Mimnaugh, Robin Bickle, Becky Johnson, Carol Cole, Mike Jakeway, Bill Deshon, Julie Oldham, Tina Ziegler, all fifth graders.

Mike Meland, Christina Sardoncello, Joyce Adkins, Vicky McLaughlin, Jill Yates, Theresa Borio, Diana Kampsen, Shari Genaw from sixth grade.

SCIENCE WORKSHOP — Third and fourth grade students in Mrs. Annie Hines' classes at Beverly School, got involved in scientific things at an all-day workshop in their classroom. Getting involved with microscopes, magnets, lights and other scientific equipment, are (from left), Mrs. Hines, with Timothy DuBois, and Freda Kelley, fourth graders, and

Roderick Byrd, a third grade student. The workshop is preliminary to a science fair to be held at the school in the spring. Assisting with the "lab" project was Mrs. Juanita Williams, a paraprofessional at Beverly School.

Van Buren inspector to retire

The Van Buren Township electrical inspector, Clyde W. Guenther Sr., 66, has retired. He served as inspector for more than seven years.

Guenther, whose retirement became effective last Wednesday, was the honored guest at a retirement party given by township administrative officials and fellow workers held at the township hall.

A native of Van Buren Township, Guenther spent all of his life in the Belleville-Van Buren Township area. He and wife, Florence, reside at 8701 Belleville Rd.

They are the parents of a son, Clyde Guenther Jr. of Belleville; and daughter, Mrs. Sally Dickens of Chelsea.

"I am going to travel and see relatives and old friends located down south and throughout Michigan and catch up on some fishing," he said.

Guenther, remembers when he and his father drove cattle through the City of Belleville and saw the city and township grow from an agricultural area to large residential and commercial communities.

"I have enjoyed every bit of it," he said. "I made a lot of friends and met a lot of people. I have had a good life on the job and I think it is time now to catch up on some of the things that I and the wife always wanted to do."

Van Buren hires auditors to prepare fiscal budget

The Van Buren Township Board of Trustees has approved the hiring of a new auditing firm to prepare the township's upcoming fiscal budget.

The new firm, Post, Symthe, Lutz and Ziel of Wayne, was

selected following a township communication to five different firms.

The new auditors will assist in the preparation of a detailed and workable budget for the upcoming fiscal year beginning April 1. Township Clerk Mrs. Patricia Cullin, said.

A three-member committee headed by Township Treasurer Ralph Hedman will assist.

The board also requested the township's water and sewer commission to draft study for the water department, relative to the handling of water customers whose

water service has been turned off because of account delinquency.

Hedman said the township should set up a method of billing water customers who fall behind in the payment of their water bills with subsequent water shut-off and who later apply for water service at new residential sites.

In other business before the board last week was the adoption of a proposed nuisance ordinance.

The board deferred formal action pending an over-all revamping of township ordinances. Mrs. Cullin was

instructed in the meantime to contact authorities in Berkeley, Cal., for a copy of their nuisance ordinance regulations, especially those sections devoted to "noises."

VAN BUREN TOWNSHIP ORDINANCE NO. 9-20-65-41

AN ORDINANCE TO AMEND ORDINANCE NO. 9-20-65 BY AMENDING THE ZONING MAP

VAN BUREN TOWNSHIP AMENDED ZONING MAP NO. 41
To accompany Zoning Ordinance No. 9-20-65
Adopted by Township Board
February 27, 1973

THE TOWNSHIP OF VAN BUREN ORDAINS:

PART I. That Ordinance No. 9-20-65, known as the Zoning Ordinance of the Township of Van Buren, shall be and hereby is amended by amending the Zoning Map as indicated on the Amended Zoning Map No. 41 hereto and made a part of the Ordinance.

PART II. CONFLICTING PROVISIONS REPEALED. Any ordinance or part of any ordinance in conflict herewith is hereby repealed.

PART III. VALIDITY. Should any section, clause or provisions of the Ordinance be declared by the Court to be invalid, the same shall not affect the validity of this Ordinance as a whole or any part thereof other than the part so declared to be invalid.

PART IV. EFFECTIVE DATE. The provisions of this ordinance are hereby declared to be immediately necessary for the preservation of the peace, health, safety and welfare of the people of the Township of Van Buren and are hereby ordered to be given immediate effect and be in force from and after the earliest date allowed by law and this Ordinance is hereby ordered to be published in the manner prescribed by law.

STATE OF MICHIGAN
COUNTY OF WAYNE

I, Patricia Cullin, Clerk of the Township of Van Buren do hereby certify that the foregoing is a correct copy of an Ordinance as passed by the Township of Van Buren at a regular meeting held on February 27, 1973

Robert D. Marble, Supervisor

CITY OF ROMULUS NOTICE OF PUBLIC HEARING

Notice is hereby given that the Romulus Planning Commission will hold a Public Hearing on March 12, 1973, at 8:00 p.m., in the Romulus City Council Chambers, 1111 Wayne Road, Romulus, Michigan on the following proposed Amendment to the Zoning Map.

REZONING FROM R1B to C-1

"Lots 142, 143, 153 and 154 of the Taylor Road Subdivision of part of the S.E. 1/4 of the S.E. 1/4 of Section 25 T. 35. R.E."

Leonard J. Folmar, Clerk
City of Romulus

2-21, 3-7

Berean Baptist holds missionary conference

The Berean Baptist Church, 6889 Belleville Rd., Belleville, will hold a missionary conference tonight through Sunday.

The services of the week will be at 7 p.m. and the one morning service on Sunday will be at 11 a.m.

The missionaries who will take part in the conference are:

Mr. and Mrs. Louis Knowlton, on furlough from Sao Paulo, Brazil, will have part in each service. The Knowltons will have charge of the music for the conference. They will be returning to Brazil in June and to work on producing radio programs, conducting a film rental and in helping in meetings including street meetings with a sound truck.

Mr. and Mrs. Sami Kanani will participate in all of the services. Mrs. Kanani is a vocalist and will be bringing special music as well as speaking to the junior department on Sunday morning.

Mr. Kanani is an Arab and is working with his people in the Detroit area. He will speak to the adult department and young people on the subject of the Muslim religion at 9:45 a.m. Sunday.

Clyde Prince of the regular baptist children's home at St. Louis, Mich., will be presenting the needs of the children and of the home.

Frank Jertberg of Redcliffe,

Brazil, will be the other speaker. He has been in Brazil for 21 years under the Association of Baptists for World Evangelism. He, with the Knowltons is supported monthly by the Berean Baptist Church.

The meeting at 7 p.m. Saturday, is strictly for young people.

Chamber gets area members

Six Belleville area business operators recently have become affiliated with the Belleville Area Chamber of Commerce.

The new members bring the current membership roster of the chamber to a record high of 166 members.

Joining the chamber were: Sherman Dixon, manager of Ferguson's Mobil Service, 11250 Haggerty Rd. at the I-94 Expressway; Carroll Heydt of Richardson's Cafeteria, 604 E. Huron River Dr., Belleville; Robert Whitehead, manager of Burgo's Restaurant, 562 Main St., Belleville; Jeri W. Smith of the Michigan Condominium, 975 Sumpter Rd., Belleville, and John Moody of the J & A Restaurant, 448 Main St., Belleville.

NEW MEMBERS — The Belleville Area Chamber of Commerce has accepted six new members from Belleville area businesses. They are (from left) Carroll Heydt of Richardson's Cafeteria; Jeri W. Smith of Michigan Con-

dominium Corp. at Belle Villa; Sherman Dixon, of Ferguson's Mobile Service; Bob Whitehead of Burgo's Restaurant; John Moody of J & A Restaurant; and Darryl Raymond Jr. chamber secretary—Enterprise-Roman photo

Ombudsman project operates in area

A nursing home Ombudsman project is presently operating in Van Buren Township.

Miss Barbara Bremer, a social work student at Eastern Michigan University is working at the Van Buren Convalescent Center, located at 4401 Willow Run Expressway, Belleville.

Miss Bremer, a trained Ombudsman, has in the last several months been working directly with the home and its

residents to mutually work toward providing better care.

SHE IS ORGANIZING a local Ombudsman committee, composed of representatives from the community, the home, government agencies and other agencies and other interested parties to forge stronger links between the nursing home resident and the community.

In addition, Miss Bremer is organizing a volunteer program to have people go

into the home and visit with patients. These volunteers will be trained by the Ombudsman project in how to provide proper care and services to the residents of nursing homes.

Anyone interested in volunteering their time and service is encouraged to call the Ombudsman office in Detroit, 963-2526 in order to receive more information and become active in this organization.

Christians observe Lent

NOTE: The following is the first of a series of Lenten sermons by area pastors and leading churchmen. This week's article was submitted by Rev. Charles Dibley, pastor of the First United Methodist Church in Belleville.

By REV. CHARLES DIBLEY

Lent, 1973! All over the world Christians will observe this holy season as a time of preparation for Easter.

Lent: exclusive of Sundays, there are 40 days which the early church observed to commemorate the 40 days Jesus spent in the wilderness, the 40 days Moses was on the mount and the 40 days Jonah was crying out to the Ninevites.

The experience of Jesus, Son of God, went beyond 40 days in the wilderness with Temptation and the 40 hours He was under the power of death - from noon, Good Friday, until 4 a.m. Easter Sunday.

WE HAVE THESE majestic and profound words: Hebrews 13:8 "Jesus Christ is the same yesterday and today and forever."

He does not change. In Him we find God and in Him we put our trust.

This year more than 140 denominations and Christians will join together in a movement known as Key 73 - "Calling our continent to Christ."

"Join with millions, proclaiming that 'Jesus Christ is the same yesterday and today and forever.'"

Attend the Church of your choice. You will find a welcome.

CITY OF ROMULUS ORDINANCE AMENDMENT CHAPTER IV, ARTICLE 3.1

An ordinance to amend Chapter IV, Article 3 of the Code of Ordinances of the City of Romulus to provide for procedural requirements for the condemnation and demolition of buildings, dwellings and structures within the City of Romulus.

WHEREAS: The City has unsafe, dangerous and dilapidated or otherwise substandard buildings and structures in the City which are hazardous and constitute a menace and detriment to the health, safety and welfare of the people of this City; and

WHEREAS: The City deems it necessary to control, demolish and prevent the continued existence of such structures and to provide the owner and occupants of such dwellings a hearing regarding the state of such structures and their responsibilities.

NOW THEREFORE, THE CITY OF ROMULUS ORDAINS:

Section 1. Section 3.10 of Chapter IV, Article 3 shall be and the same is amended to read as follows:

Upon recommendation of the Building Inspector and/or Health Officer the City Council shall order any building or structure to be demolished and removed at the expense of the owner after receipt of a report from the Building Inspector and/or Health Officer that the owner or occupant has failed to comply with ordinance violation notices and condemnation orders.

Upon receipt of such report, the City Council shall establish a date, time and place for a hearing before the City Council to determine if said structure shall be demolished by the City. Notice of such hearing shall be given to the owner at least seven (7) days prior to such hearing date by personal service or mail. If the owner is unknown or cannot be located, such notice shall be published in the official City newspaper at least three (3) weeks prior to such hearing.

At the hearing the parties involved may present such evidence and witnesses to the Council as they may have to substantiate their respective positions.

At the conclusion of the hearing, the City Council shall advise the parties of its decision and shall also advise them of their right to appeal such decision.

In the event that the Council orders the building or structure demolished, the cost of such work shall be billed to the owner of said property. It shall be the responsibility of the said owner to pay the cost of such demolition. In the event that he shall fail to pay the costs of demolition, the City Council shall cause the same to be paid and order the costs levied as a special assessment against the property.

Section 2. This ordinance is hereby declared to be an emergency ordinance necessary to the protection of the public welfare and shall take effect immediately upon publication.

I, Leonard J. Folmar, Clerk of the City of Romulus, do hereby certify that the foregoing is a true copy of an ordinance adopted by the Romulus City Council at their regular meeting held on the 27th day of February, 1973.

Leonard J. Folmar, Clerk
City of Romulus

ATTEST: Hyle J. Carmichael, Mayor

Within forty-five (45) days after the publication of any ordinance duly passed by the Council, a petition may be presented to the Council protesting against such ordinance continuing in effect. Said petition shall contain the text of such ordinance and shall be signed by not less than six (6 percent) percent of the registered electors registered at the last preceding election at which a Mayor of the City was elected. Said ordinance shall thereupon and thereby be suspended from operation and the Council shall immediately reconsider ordinance.

73-209

3. Motion by Stewart, supported by Pennington, that Resolution No. 73-209 (Citizenship Award for Irvin and Dorothy Icenogle) be accepted.

RESOLUTION NO. 73-209

WHEREAS: Municipal Government is a product of the inspirational desires of people living within defined boundaries, designed to direct their orderly co-existence and provide needed public services, of which independently they could not avail themselves; and

WHEREAS: Municipal Government is healthiest, when it is actively and continually encouraged to expand, thus providing ever increasing benefits for those within its jurisdictional boundaries; and

WHEREAS: Municipal encouragement must be provided by other than officially recognized members of this structured organization, less the growth be impaired, resulting from the limited involvement of a select few; and

WHEREAS: Irvin and Dorothy Icenogle have continually displayed a determination to encourage their government; and

WHEREAS: This determination is evidenced by their continual presence at City Council Meetings, their continued expression of concern and recommendation for the improvement of various conditions existing within the municipality, and their sacrifice of personal time and energy to contribute needed services.

NOW, THEREFORE BE IT RESOLVED: That Mr. and Mrs. Irvin Icenogle be, and are herewith, commended for their exemplary conduct as citizens of this community, conduct exemplifying the true spirit of our democratic society; and

BE IT FINALLY RESOLVED: That all citizens of the City of Romulus be encouraged to be as active in their government as are the Icenogles.

Roll call vote showing: Ayes - Edwards, Bizek, Pennington, Block, Stewart, Oakley. Nays - None. Motion carried unanimously.

73-210

6. Motion by Edwards, supported by Stewart, that Resolution No. 73-210 (Wayne County Sheriff Department Contract Renewal) be adopted.

RESOLUTION NO. 73-210

WHEREAS: The level of police service currently being provided the citizens is below that recommended by the International Association of Chiefs of Police (I.A.C.P.); and

WHEREAS: The I.A.C.P. is the nationally recognized authority relied upon when determining levels of police service; and

WHEREAS: The formula used by the I.A.C.P. indicates, based on the number of crimes currently being committed within the City of Romulus, that there is a need for a minimum of an additional 1.9 police units; and

WHEREAS: The City Council of the City of Romulus recognizes the need within the City of Romulus for additional police service.

NOW, THEREFORE BE IT RESOLVED: That the City of Romulus does herewith authorize the amending of the currently existing contract with the Wayne County Board of Commissioners, for police service, to provide one (1) additional police unit at a total cost not to exceed \$207,000.00 per year.

BE IT FURTHER RESOLVED: That \$51,000.00 to defray the expected cost incurred by this action for the balance of the present fiscal period be transferred from account 500-541 (Revenue Sharing) to account 300-831 (Police-Contractual Services).

BE IT FINALLY RESOLVED: That Under-Sheriff Loren Pittman, be and herewith requested to consummate the foregoing within thirty (30) days.

Roll call vote showing: Ayes - Bizek, Block, Stewart, Pennington, Edwards, Oakley. Nays - None. Motion carried unanimously.

73-211

Motion by Edwards, supported by Block, that the Fire Hydrant charges to the Township of Romulus by the Water and Sewer Department for the period of June 1 through March 31, 1970 be eliminated and that Legal Counsel be advised of such action and legal opinion be rendered for same, with copies supplied to Council. 'Fairest for all'

Austin wants no-fault

Michigan Secretary of State, Richard H. Austin, told the U.S. Senate Commerce Committee February 1, that a national No-Fault Auto Insurance law is essential to protect the rights of all motorists and accident victims.

Austin, who played a key role in the enactment of Michigan's new no-fault law, was the lead-off witness in hearings on proposed federal legislation to set minimum standards for No-Fault for all 50 states.

Austin said such legislation would benefit motorists and accident victims throughout the country.

"The Michigan No-Fault law, which becomes effective October 1, is the best in the nation," Austin said. "We are

the only state whose No-Fault meets the recommendations of the U.S. Department of Transportation (D.O.T.).

"Yet, even Michigan would gain by a federal No-Fault law such as you are considering," Austin said, "which would set high standards for all the states."

Key benefits to Michigan would include a high degree of uniformity with other states and proper protection for Michigan motorists outside the state, for out-of-state travelers when in Michigan. The federal law also would set somewhat higher maximum benefits to victims and reduce even further the likelihood of lawsuits, Austin said.

Austin noted that a great reduction in lawsuits is a chief

reason for adopting No-Fault over the "fault" system. With No-Fault, a motorist is protected by his own insurance company, resulting in faster, more equitable settlement and more of the premium dollar going into benefits instead of legal fees.

Michigan's pending No-Fault law currently is under attack by the Michigan Trial Lawyers Association in the Michigan Supreme Court.

Austin said the "fault" system imposes hardships on many segments of our population and fosters inequities and injustices on other groups.

He continued: "Today, thousands of auto owners in Detroit and other cities throughout the country are either denied insurance or

priced out of the market simply because of where they live.

"Young drivers ... senior citizens - some of whom have driven for 50 years without ever receiving any reimbursement for a car mishap or for an insurance claim - are often arbitrarily refused a policy or may find their policy doubled in costs.

On a regular basis, the Belleville Enterprise and Romulus Roman will list a tally of local legislators' voting — both state and national — on major roll call issues in Lansing and Washington, D.C. respectively. Attendance of the legislators in Lansing also will be listed.

The legislators include State Sen. William Faust (Democrat - 13th District) for the cities of Belleville and Romulus and townships of Huron and Van Buren; State Sen. John McCauley (Democrat - 11th District) for New Boston and Huron Township; State Rep. Gary Owen (Democrat - 22nd District) for the City of Belleville, a portion of west Romulus and Van Buren Township; State Rep. Edward E. Mahalak (Democrat - 38th District) for the rest of the City of Romulus, New Boston and the townships of Huron and Sumpter; U.S. Rep. William D. Ford (Democrat - 15th District) for all of the above areas; and U.S. Senators Philip A. Hart (Democrat) and Robert P. Griffin (Republican) for the State of Michigan.

A synopsis of the measures will be published, followed by their disposition and local legislators' actions.

STATE SENATE

No roll call votes were taken on substantive matters.

(Attendance)

Feb. 8: Present — Faust, Excused absence — McCauley.

Political action arm is formed

The Romulus Education Association and the school employees union have joined to form a political action arm known as the Romulus Association of Public Affairs Committee (RAPAC).

The committee was formed to promote the objectives of both unions through political education, to endorse political candidates and distribute political information and to encourage members to fulfill

their civic responsibilities.

One of the first activities of the newly-formed committee will be to take part in the upcoming school board elections.

The committee intends to study the candidates and issues in the campaign, to be followed with an endorsement by the members of RAPAC.

Chairman of RAPAC is Marie Diane DeBuyscher, secretary is Bette Lenossi and treasurer is Terry Bird.

Meetings are scheduled for the second and fourth Wednesdays of the month at 4:30 p.m. in the Romulus Junior High School.

West Pointer

LUBBOCK, Tex. Col. Albert J. Geraci, a West Point graduate whose service tenure dates back to 1942, has become professor of military science at Texas Tech.

Geraci will be in charge of the Army ROTC detachment at Tech. He succeeds Col. William L. Hodge who retired from active duty.

Area scouts celebrate

The blue and gold banquet of Cub Scout Pack 739 recently held at the Merriman Elementary School in Romulus (pack sponsors) featured a celebration of scouting's 63rd anniversary and annual potluck dinner followed by a presentation of awards.

The following awards were presented:

DENNER CORDS to Edward Bocignone, John Hielman, Donald Allen. Assistant denner cords to David Brown, Frank Koloski and John Vargas.

Wolf badges to Keith Watts and Eddie Zabik. Bear badge to Brian Golightly, gold and silver arrows. Watts also received a gold arrow. Eddie Zabik got a gold and three silver arrows. The pack's new bobcat award winner is Ricky Ebel.

GARY BROOKER and Perry Wilson received den chief cords. The following people received cards of thanks for their time: David Merciers, Gary Brooker and Perry Wilson for being den chiefs, Myrt Gilstruff for publicity also three-year pin; Fouad Berry for assistant cubmaster and all den mothers.

Webelos awards were as follows: citizen and craftsman badges to Kurt Gilstruff, Frank Harmon, Scott Luh, Bernie Neilson, Paul Helmuth, Robbie Knight, David Marcoux, Mario Almos, Chuck Rohode and Chris Sapienza.

Citizen badge to Kurt Gilstruff, Athlete to Mario

Olmos and Scott Luh; aquanaut badge to Tom Askew and Mario Olmos, who was promoted to the Boy Scouts. A dinner badge went to David Marcoux and an assistant dinner badge to Mario Olmos.

THE HONORED guests attending the banquet were Eugene Barr, Merriman School's principal; Mr. and Mrs. Donald Scott, school secretary; Mr. and Mrs. Fred Hall, Boy Scout leader for Troop 739; Charles Lavelle,

conservation officers and Joseph Kerridge, professional scout for the Detroit Area Scout Council.

A movie on the Great Lakes was shown by Lavelle along with a short explanation about conservation.

For state aid

Bill knocks rule

By WES THORP
Lansing Bureau

State Sen. James D. Gray (D-Warren) is proposing a financial vitamin shot to the treasuries of local school districts with a small tax base, a lot of students and a high tax rate.

His proposal was made during a recent press conference in answer to the State Supreme Court's ruling that the state school aid formula is unconstitutional.

The state's highest court pointed to discrepancies in the school aid system where some local school districts have as much as \$100,000 in taxable property behind each student, with others having as little as \$9,000.

This gave an unfair advantage to the school districts with a large tax base and a low, tax rate, the seven-member court said.

Gray, along with 11 other Democratic senators and one Republican, introduced a bill aimed at equalizing the differences in the tax bases of the school districts.

According to the plan, there would be an automatic 150,000 in taxable property behind each student in the state's public schools.

A basic tax rate of 15 mills (\$15 for each \$1,000 of state equalized valuation (SEV)) would also be set for each school district.

For those school districts with less than \$50,000 in taxable property behind each student, the state would make up the difference, according to the Gray bill.

Under his formula, each school district would be guaranteed per pupil tax revenue of at least 15 mills times \$50,000 which would mean \$750 per student.

The amount of state aid would increase for the low tax base districts as their millage increased.

Clintondale Community Schools in Macomb County is an example where each of its 5,529 students is supported by \$9,919 in state equalized valuation with a tax rate of 33.5 mills.

Gray's statistics show that the Clintondale schools spent \$850 per pupil in local and

With the proposal, Clintondale's per pupil tax base would be boosted to \$50,000 giving the district \$1,196 per pupil to spend, instead of the \$850 in combined local and state funds which it is spending for the current 1972-73 fiscal year.

The difference between the amount of revenue produced with the \$9,919 in tax base and the \$50,000 would be made up by the state. Broken down, Clintondale would may \$333 per student and the state would pay \$862.

The opposite effect would be felt by the Center Line school

district which is also in Macomb County and which has \$29,256 in SEV supporting each of its 6,408 students with a tax rate of 23.5 mills.

Local share for Center Line, under Gray's proposal would be \$689 while the state would pay school aid of only \$298 per pupil.

School districts with deficits are also provided for in Gray's bill.

"A local school district having a deficit, as determined by the Department of Education, will levy a local income tax on individuals, business and industry ..." the proposed law states.

The income tax, levied by the school district without a vote of the people, would have to pay off the debt in five years, except for Detroit which would have ten.

Summing up what his bill would do Gray said simply, "It will treat the taxpayers alike no matter which district they live in."

Gray's wish to make the financial picture rosier for the poorer school districts was estimated to cost the state \$374 million more than the \$1.1 billion spent on state school aid during the 1972-73 school year.

Planners give rezoning okay

The Van Buren Township Planning Commission recommended a rezoning of a 2.12-acre land parcel located on the South Service Drive of the I-94 Expressway, east of Belleville Road.

The rezoning recommendation is from residential to multiple dwelling.

Ray Suliman, 13055 Lakeview Dr., Belleville, requested the rezoning to conform with the zoning around his parcel which is multiple.

At a recent public hearing on the rezoning request there was no objections filed.

Area Jaycettes look for outstanding woman

The Romulus Jaycettes are seeking nominees for Romulus' Outstanding Woman in Community Service.

Any resident is eligible to submit a nomination. Nominations should include the name, address, education, hobbies, and community involvement of the nominee along with the name, address and phone number of the nominator.

Nominations should be sent

to Award Chairman Mrs. John Van Stipdonk, 9463 Barry Dr., Romulus, 48174.

Information on the program can be obtained by calling Mrs. Van Stipdonk at 941-4270.

City holds street meet on Harley

The Belleville City Council will hold a hearing at 8 p.m. April 5 to consider the vacation of Harley Street in the Huron Park No. 1 Subdivision.

Harley Street (formerly Henry Street) runs from the easterly line of Biggs Avenue (formerly Riggs Avenue) to the westerly line of Wexford Avenue and from the easterly line of Wexford Avenue to the westerly line of Edgemont Street.

The hearing will be conducted in the council chambers, 6 Main St.

Romulus man attends Ohio week seminar

A Romulus man recently returned from Cleveland, O., after participating in a week-long seminar to study new manufacturing and fabricating.

He is Walter Strosiak of Traffic Transport Engineering, Romulus.

Strosiak participated in the program with 40 other supervisors and welding specialists from all over the United States.

The seminar was sponsored by the Lincoln Electric Company of Cleveland, a manufacturer of arc welding equipment.

List Van Buren fire numbers

Two telephone numbers that Van Buren Township residents should include in their phone list are the numbers for Van Buren Township's two fire departments.

Residents living north of the I-94 Expressway are served by Fire Department No. 2, located on Eccore Road, just west of Belleville Road. Residents living south of the I-94 Expressway are served by Fire Department No. 1, located in downtown Belleville.

The phone number for Fire Department No. 1 is 697-3456 and the number for Fire Department No. 2 is 697-9444.

SUMPTER TOWNSHIP NOTICE of BOARD of REVIEW 1973

To Taxpayers and Property Owners of Sumpter Township.

The Board of Review will meet at Sumpter Township Hall, 23483 Sumpter Road, Belleville, Michigan.

Tuesday, March 6 and Wednesday, March 7, 1973 from 9:00 am to 11:30 am and 1:00 pm to 4:30 pm.

Thursday, March 8, 1973 from 7:00 pm to 10:00 pm.

Saturday, March 10, 1973 from 10:00 am to 12:00 noon.

Also Monday, March 12, 1973 from 9:00 am to 11:30 am and 1:00 pm to 4:30 pm.

For the purpose of reviewing the assessment roll and hearing any objections thereto.

CLARENCE J. HOFFMAN, JR.
Clerk, Sumpter Township

Be sure to write Sumpter Township on Revenue Sharing Section 33 of your Federal Income Tax return long form and Section 26 of your Federal Income Tax return short form.

SUMPTER TOWNSHIP INVITATION TO BID

Sealed proposals will be received by the Sumpter Township Clerk, 23483 Sumpter Road, Belleville, Michigan, until 5:00 pm Tuesday, March 13, 1973, at which time and place the bids will be publicly opened and read aloud for:

(6) Voting Machines

Specifications are available at the Office of the Township Clerk at the above address. All bids must be plainly marked on the envelope "Bid on Voting Machines".

The Township of Sumpter reserves the right to reject any or all bids and to waive defects in bidding in the best interest of the Township.

Clarence J. Hoffman, Jr.
Clerk Sumpter Township

2. In Memoriam

OUR SON Jerry is missed more and more as time passes. Howard Watkins, 3496 Richard St., Wayne.

In loving memory of my dear husband, Woodbury J. McNutt who passed away 5 years ago, March 11, 1968.

Memories are treasures no one can steal; this is a heartache no one can heal. Some have forgotten now that you're gone, but I'll always remember no matter how long.

Deeply missed by wife, Dorothy McNutt and family.

3. Cards of Thanks

May we take this method to express our deep appreciation for the many kind sympathetic acts from our kind friends and thoughtful neighbors at the time of our recent bereavement. Special thanks to the Township Police, Robert Brothers, and Father Skonek.

The Family of
Bazyl Stawinski

3. Cards of Thanks

We wish to thank everyone in the time of the tragic death of our son, Terry Clark. To all of our friends whom we don't know their address, especially Baum Funeral Home, Pastor Lloyd Locklear, Dr. Chapman, Dr. Richter, Romulus High School, also the teachers, principals, bus drivers, coaches, and to all the wonderful boys and girls who stood by us through this trying time. Thank you again, Holland and Lenore Clark.
